

Online Rules Clinic

The South Carolina High School League (SCHSL) and PlanetHS.com are excited to announce that **basketball** and **wrestling** rules clinics will now be offered online!

Head coaches for these sports will create accounts on PlanetHS.com, view the rules presentation and verify participation. Online attendance is mandatory for head coaches who didn't attend the coach's clinic this summer.

- 1 STEP ONE:** Create an account on PlanetHS.com IF you don't already have one! Head coaches need their own account to view and verify participation. Coaches can create these accounts at PlanetHS.com or the AD can also create them from their school dashboard. **Action will need to be taken by the AD no matter which option is chosen!**

If Athletic Director creates account: The AD will need to go to [School Dashboard >> User Management >> View Member Lists](#). At the bottom of the screen, click Create User and complete required fields. After saving the new account, click the green + and add the "head coach" permission and autofill the corresponding sport.

If Head Coach creates account: When completing sign-up info, select "Teacher/Staff" as Account Type. Also be certain to select the correct school you coach at from the master list. Once a coach creates their account, the AD needs to go to [School Dashboard >> User Management >> View Member Lists](#) to locate account (Member Type = teachers) and add the necessary permission.

- 2 STEP TWO:** Hover over "Newsfeed" in the bar across the top of the screen (underneath your school's name). Click **My Newsfeed**. The rules clinic videos should be near the top of your newsfeed in middle of screen.

- 3 STEP THREE:** Watch the rules clinic in its entirety. There will be occasional "attention pop-ups" that you will need to click and confirm that you're still watching the video. **At the end of the presentation, you must click the "I Completed this Video" button to verify your online attendance.** Be mindful that there is a deadline to complete these rules clinics.
