3. Always check the records for the courses and units passed by a student.
4. Certificates of Eligibility must be submitted seven days prior to the first contest in that sport.
5. All varsity sports schedules must be filed in the South Carolina High School League Office. Forms can be found in the Athletic Directors Notebook. The Coaches Calendar is a great reference. Use it.
6. Never allow a student to practice without having a Parents' Permission Form, Physical Examination Form and insurance coverage.

RULES AND REGULATIONS GOVERNING INVITATIONALS, TOURNAMENTS AND JAMBOREES

1. Schools will not permit their students to participate in an invitational event or jamboree unless the South Carolina High School League approves the event.
2. All teams competing in an invitational, tournament or jamboree must be members of the League or have permission to participate. The South Carolina High School League will not sanction any invitationals, tournaments or jamborees that does not have at least one member school participating or is beyond the regular season.
3. Responsibility to the League Office must be established by designating a host school that will insure that all South Carolina High School League regulations are followed.
4. A request for permission to hold an invitational, tournament or jamboree, signed by the principal of the host school, must be in the South Carolina High School League Office at least 30 days prior to the first session of the event or 90 days if out of state teams are to be invited. The request must include the purpose of the event, the sponsoring organization, the exact dates and the schools invited. A form to submit the request for approval can be found in the A. D. Handbook.
5. For each jamboree, the South Carolina High School League will receive 20% of the gross gate receipts in excess of \$1,500.00. The South Carolina High School League's share from any jamboree will not exceed \$5,000.00. A financial statement, this 20% and a list of participating teams must be sent to the South Carolina High School League within fifteen days.
6. For each invitational tournament in the sports of basketball, baseball, softball and soccer, the League will charge a \$50.00 sanctioning fee.
7. Each high school is permitted to participate in one approved varsity preseason jamboree. A school may elect to participate in a second or third varsity preseason jamboree instead of one or two of the four allowable scrimmages. Each school is permitted to participate in one subvarsity preseason jamboree.
8. A school may not participate for more than ½ of a regulation game in any jamboree type event.
Definition of a tournament:
A tournament is a series of contests in competition for a championship in which at least 1st & 2nd place is decided by a final contest between the two teams. Schools must now submit tournament format i.e., brackets as part of the sanctioning process in basketball, baseball, softball, tennis, lacrosse and soccer. (Maximum: 10 consecutive days for a tournament)
9. The South Carolina High School League Executive Committee has instructed the League Office to disapprove an invitational basketball tournament in which more than eight schools are involved if any part of the tournament causes loss of school time or is played on a day preceding a school day. If the tournament is held entirely during the Christmas holidays, more than eight teams may compete. Activities other than basketball are not limited to eight teams.
10. Schools are allowed preseason invitational tournament(s) **ten days** prior to the first legal playing date to include the previous weekend.
11. Certified officials must be used at the varsity level.
12. Adequate police protection must be furnished. (See page 12 - Police Protection)
13. All rules and regulations of the South Carolina High School League must be followed. This includes the awards rule and the amateur rule. For an invitational event, symbolic awards may be given. Trophies must be reasonable in size. Scholarships or monetary awards are in violation of this rule.
14. No trophies or awards of any kind may be given to a player or team for participation in a jamboree. This regulation does not forbid the presentation of a sportsmanship award to a school or awards to individuals for winning a kicking contest or a similar contest held at a jamboree.
15. Total number of basketball, lacrosse and soccer games a student may play during a invitational tournament is two per day. There must be a minimum one hour rest between games.

NOTE: League passes will be honored at all League sponsored events.

OPEN SEASON

Any time except In Season and Closed Season. During open-season, coaches may conduct organized practice as specified in the Open Season/Closed Season practice schedule on page 6.

Strength and conditioning programs will not be affected by the limitation on the Open Season/Closed Season practice schedule.

Practice and weight training must be open to all students. These sessions cannot be mandatory for any student.

School facilities will be open to all students and coaches who may be involved with the planning and monitoring of activities, including organized practice, during the specified periods.

Participation cannot be mandatory for any student.

CLOSED SEASON

No coach/team may practice outside their in season or open season dates (refer to page 6).

No coach/team may practice after their season concludes.

Strength and conditioning programs will not be affected by the limitation on practices. Conditioning programs are not to include agility drills that enhance specific skills for a given sport, nor may equipment for any sport be used. Agility drills appropriate for all sports will be acceptable.

A coach can no longer work with any athletes during closed season.

JULY 4TH DEAD WEEK

No activities may take place to include strength, weight lifting, conditioning, meetings, films, practice, etc.

2. School facilities may not be used after school hours during closed season by students of a school except if they are members of an outside team clearly sponsored by an outside agency. Coaching outside teams during a closed season is permissible provided the 75% rule is not violated. (Refer page 7 for details on the 75% rule.)
3. Outdoor facilities normally available to the public will not be restricted by these regulations on non-school days. In other words, if it is the normal practice of the school to allow the general public to use these facilities on the weekends, there will be no violation if more than two students are present, provided there is no coach present, and there is no attempt to facilitate practice.
4. A coach may accompany prospective team members to a camp or clinic during a closed season, but may not be involved with teaching skills to his or her own players.

Violation(s) of the practice rules orchestrated/initiated by school personnel will subject the school to sanction(s) by the South Carolina High School League. Violation(s) of the practice rules orchestrated/initiated by the student athletes will subject the school to a "warning" for first offense and more severe sanctions for repeated offense(s) within one calendar year.

SPORTSMANSHIP - STATEMENT OF POLICY

The State Athletic Administrators Association has joined with the South Carolina High School League's Executive Committee in continuing to emphasize the urgent need for impeccable sportsmanship by our players, coaches, and fans. Good sportsmanship and good conduct go hand in hand with high school athletics. Athletic administrators, coaches, players, and officials have the greatest responsibility to see that conduct and sportsmanship are at the highest level possible.

Athletic Directors are responsible for administration and supervision of local athletic programs, including the conduct of fans at athletic events. The Board of Education should develop a school district sportsmanship policy and philosophy and direct the administrators to carry it out. Guidelines and policies need to be implemented, and those attending games should be informed through news media, cheerleaders, and others, that poor conduct and poor sportsmanship will not be tolerated.

Coaches must exemplify through their own actions and behavior an acceptable example of good sportsmanship and conduct. Coaches have access to their players on a daily basis and they need to take time to stress the importance of good conduct and sportsmanship by players in interscholastic contests. Allowing players to commit an unsportsmanlike act without a reprimand is really telling the player he has done nothing wrong.

Players must be held accountable for their actions and be taught what is acceptable and what is not. Actions by individuals to call attention to themselves are a distraction to any game and are counterproductive to the high school philosophy of promoting a total team concept.

Fireworks/cannons/other explosive devices – All fireworks/incendiary and explosive devices are prohibited on school facilities at League events. **A \$1,500 fine will be imposed per occurrence for violations of this rule.**

Baiting and taunting must be eliminated totally from all athletic activities. It should be the goal of everyone to have the outcome of each contest determined by athletic skills and hard work and to never let baiting and taunting or other negative actions be a factor. Examples of baiting and taunting are: finger pointing, shooting motions to imply superiority, gestures with obscene connotations, excessive talking to distract or intimidate. This will also include signs or flags used to incite spectators and interfere with the orderly flow of the game.

The above list is not complete but it should give enough direction to coaches and officials to reach agreement on the kinds of conduct that must be eliminated. It will take a concerted effort, but we are convinced that we can keep interscholastic sports as the greatest perpetuator of sportsmanship in athletics today.

The South Carolina High School League expects that all persons representing a member school shall treat their opponents with respect and courtesy and anything less is unacceptable. Personal conduct of athletes, coaches, and other school personnel in which interscholastic athletics are not involved is a matter to be resolved by the member school. This position also gives the host school the authority to determine who may perform as a supplement at an athletic event.

Officials at an interscholastic athletic event are participants in the educational development of high school students. As such, they must exercise a high level of professionalism, self-discipline, independence and responsibility.

UNSPORTSMANLIKE CONDUCT

Unsportsmanlike acts that take place at the site of an interscholastic contest are South Carolina High School League matters. All ejections must be reported by the school to the South Carolina High School League office by noon of the following day. The South Carolina High School League shall discipline violators of the following items:

1. An athlete who is ejected for using abusive language, flagrantly or maliciously contacting another person, making obscene gestures to opponents or spectators, shall be ineligible for a minimum of the next contest to the maximum of one year depending on the seriousness of the violation.
 - a. Player(s) ejected from a contest may remain in bench area.
 - b. A suspended athlete may be in the bench area provided they are not in uniform.
2. Any ejection that warrants game(s) suspension will require the removal of the athlete's eligibility until the suspension has been served at the level of the ejection. Suspensions carry over from sport to sport and/or year to year. The student athlete is eligible for scrimmages and jamborees when the suspension is carried over from a previous sports season.
3. Ejections that subject a player to next game(s) suspension may result in a minimum of two games for all sports except football, cheer, swim and lacrosse depending on the nature of the ejection.
4. Any attempt to verbally abuse, make obscene gesture to, threaten or strike an official or member of the opposing coaching staff, shall be considered a serious violation making the athlete ineligible for a minimum of the next two contests to the maximum of one year. Any action that warrants a maximum penalty will also require that the school be placed on immediate probation in that sport. The South Carolina High School League Office will review any other action(s) that result in an ejection with the possibility of additional penalties.
5. Any athlete who leaves the bench area to become involved in an altercation, either physical or verbal, will be disqualified from that game and will be subject to a minimum of a next game suspension depending on his or her involvement. A school whose athletes violate this bench policy will be subject to South Carolina High School League discipline.
6. An athlete who is ejected for the second time in the same sport will have his or her athletic eligibility removed for a minimum of two weeks. An athlete who has been ejected from three contests during a school year (all sports) shall become ineligible for the remainder of the school year. Game officials must report all player ejections so that the South Carolina High School League Office can officially notify the school of each violation. When an athlete is ejected for the second time in the same sport, the school is required to immediately begin the above prescribed penalty.
7. Any post game unsportsmanlike activities that involve athletes, coaches and/or other school personnel while at the playing area.
8. A coach will be in violation of the standards for good sportsmanship established by the South Carolina High School League for:
 - a. making degrading/critical remarks about officials during or after a contest either on the field of play, from the bench or through any public news media or social media;
 - b. arguing with officials or going through motions indicating dislike/disdain for a decision;
 - c. detaining the official following the contest to request a ruling or explanation of actions taken by the official; or
 - d. being ejected from any contest.

9. A coach's action that leads to an ejection will be considered as serious unsportsmanlike conduct. The minimum penalty will be a next game suspension (Must be served at the level of ejection before resuming coaching duties at games) and a \$300.00 fine. The minimum penalty for a second offense will be two games suspension and a \$500.00 fine. If a coach is ejected from the final game of the season, the minimum penalty will be a \$500.00 fine assessed to the school.
 - a. Coaches ejected from a contest must leave the facility/stadium immediately and not return.
 - b. Suspended coaches shall not be present at the venue during any contest(s) while under suspension.
10. A school must control its spectators. In cases where spectators physically assault an official, coach, or athlete, the school shall be given one of two options: (1) To take legal action against the offender(s) that is acceptable to the South Carolina High School League or (2) be disciplined by the League.
11. A school shall not allow vulgar chants by its supporters.
12. Violation of any of the above policies will warrant South Carolina High School League discipline for the school or individual.

Degrees Of League Discipline Are:

WARNING: An official notice that an inexcusable, unethical, or unsportsmanlike action is a matter of record and must not happen again.

RESTRICTIVE PROBATION: A team may compete in regular region scheduled contests and for a region or state championship, but may be restricted in participation in other events associated with the sport (i.e., scrimmages, jamborees, non-region contests, invitational tournaments, closed season practice, summer competitions, etc.)

PROBATION: A team may compete in regularly scheduled contests but may not play in a jamboree, an invitational event or for a region or state championship.

SUSPENSION: A suspended school may not compete against another member school or a school in another state whose association is a member of the National Federation of State High School Associations.

FINE: May be levied in addition to other disciplines and may range from \$50.00 to \$2,500.00 for each violation.

APPEALS: A school that has been placed on probation or had a program suspended during that sport season, must appeal within 10 working days. If the suspension or probation occurs during the last contest of the season, the appeal must be made prior to the beginning of the sport the next season.

13. **POLICE PROTECTION:** The host team must furnish adequate police protection at all varsity football and basketball games. Police protection may also be required at other contests if so deemed by the home school administration. Police protection must be given to all varsity football and basketball officials. Failure to protect the officials will bring immediate probation, pending an investigation. Failure to have required uniformed protection will result in a \$250.00 fine against the host school.
14. Should there be an altercation caused by players, staff, or fans, only the head coaches, or security, will go on the playing field or court to stop the participants. All assistant coaches are to keep the remaining members of the team off the playing area. Officials are instructed to take all steps possible to prevent an altercation from increasing and to bring it to a stop as quickly as possible. Officials should not be involved in controlling the persons involved once it gets underway. **All cameramen must be instructed to keep the camera running and film all of the altercation. This is vital to our investigation of the responsible parties.**

15. **Altercations during summer league/camp.** Altercations that occur during summer league/camp competition will be handled by the schools.
16. In all situations of unsportsmanlike conduct committed by the school's coaches, bench personnel, and/or players, sanctions should be issued against the individual(s) as opposed to the entire team, if at all possible. It shall be the responsibility of the offending school to investigate and report to the South Carolina High School League Office all individuals involved in unsportsmanlike conduct that cannot be detected by video, game officials' report(s), or witness statements. In absence of information (videotape, witness statements) being provided by the school, the South Carolina High School League may sanction the school. The South Carolina High School League may address the reported individuals of the unsportsmanlike act individually or collectively. The South Carolina High School League shall use information obtained through video, game officials reports, law enforcement reports, witness statements, etc., and the offending schools report to determine action(s) to be taken to address the unsportsmanlike conduct.
17. **REPEATED UNSPORTSMANLIKE BEHAVIOR.** Repeated unsportsmanlike behaviors by teams involving multiple student athletes during the same sport season may subject the school's program/team to more severe penalties, to include possible probation and/or suspension.

DRUGS AND ALCOHOL

While at the site of a South Carolina High School League sponsored activity, neither a participant, game official nor a coach shall use, be in possession of or be under the influence of alcohol or any other mood altering drug. This restriction will also apply to any form of tobacco (including smokeless varieties).

A student violating this policy will be prohibited from participating in the specific event and the future eligibility status of this student will be subject to review by the South Carolina High School League.

The philosophy of the South Carolina High School League should be obvious as it attempts to address some items in our society, which have been proven to be harmful to the physical as well as emotional well-being of our student athletes. In this regard, the South Carolina High School League also recognizes the responsibility of coaches and other school personnel in dealing with the problem.

The South Carolina High School League is also adamantly opposed to anabolic androgenic steroid use at the high school level. The issue goes beyond protecting the integrity of a sport. The use of steroids in sports is considered to be cheating. We stand opposed to the use of steroids by athletes and all members of the student body because of health and ethical concerns.

CONTESTS WITH NON-MEMBER NON-PUBLIC SCHOOLS

Member schools may compete with non-member non-public schools provided certified officials are used in varsity contests. GUIDELINES FOR FINES AND LATE FEES ADOPTED BY EXECUTIVE COMMITTEE

School discipline has always been a great concern to the South Carolina High School League Office and to the Executive Committee. Many problems arise during the school year in the enforcement of rules and regulations pertaining to eligibility, eligibility forms, activity schedules and unsportsmanlike conduct. In order to avoid inconsistencies and to assist the South Carolina High School League Office in being uniform in its dealings with the membership, the South Carolina High School League Executive Committee has adopted a set of "Guidelines for Fines." 8. CERTIFICATION OF OFFICIAL TIMES FOR STATE CHAMPIONSHIP MEET ENTRY

- a. **Manual timing.** Official manual times for entry into the SCHSL State Championship Meet are determined by using three stopwatches per lane. Backup stopwatches may be used in case of watch or timer malfunction. When three watches record different times, the official time is the middle time. When two watches record the same time, that time is the official time. The digits representing thousandths of a second shall be dropped with no rounding.

In the case of watch or timer malfunction, the following procedure should be followed:

- i. All manually-timed meets must be set up with three stopwatches per lane and with the intention to record three watch times per swim. This is the primary timing system for a manually-timed meet. If three good watch times are recorded then the official time is the middle time, not the average of the three. A "good" watch time is defined as a time recorded by a timer properly positioned at the finish end of the lane.
- ii. In case of a malfunction of one of the stopwatches (either through timer error or watch malfunction) then a backup watch from the head timer should be used to time the swim to get three good times.
- iii. In case of a malfunction, and when the head timer with a backup watch is not able to provide a third time for a swim, the following procedure should be followed:
 1. If only two good watch times are available, then the average (NFHS Swimming Rule 6.2.2) of the two watch times should be recorded as the official time.
 2. The only time that two watch times should be used is in case of a malfunction. Two watch times should be the exception, not the rule.

b. Semi-Automatic System

A semi-automatic timing system consists of a system that is automatically started from a starting system and manually stopped by a person at the finish of the race.

Minimum Requirements.

- i. Two Dolphin Watches or buttons interfaced with the start system per lane.
- ii. A backup system of One Manual watch per lane.

c. **Automatic (Electronic) timing.** Official time is the pad time computed to the hundredth of a second. If there is a malfunction of the automatic system, backup times shall be integrated according to NFHS Rules 6-2-3 and 6-2-4.

- i. Semi-Automatic Backup System shall be used consisting of at least one button per lane.
- ii. Manual Backup system shall be used consisting of at least one manual stop watch per lane.

d. **Meter times.** Meter times will be converted (for posting and State Meet entries) as specified in the current NFHS Swimming and Diving and Water Polo Rules Book conversion chart.

e. **Certified times for State Championship Meet.** Official qualification times for entry into the State Championship Meet are certified yard or converted meter times from regular season meets that appear on the Sports Timing & Software, Inc. Meet results must be verified and signed by the meet referee and a coach from each participating school. Each team must keep copies of certified meet results in case validation of entry times is required. **Raw times must be submitted to Sports Timing & Software, Inc. according to the instructions in Section 10.e by the earlier of the two following deadlines:**

- i. **within 3 days following a regular season meet, or**
- ii. **24 hours before the entry deadline for the State Championship meet**

f. **Submission of Certified Times.** Host team of each meet must submit a **COMPLETE MEET BACKUP** and a Standard Data Interchange export file of the results (SD3 or CL2) within 3 days of the completion of the meet using Swim Meet Management Software. Results should be submitted at www.sportstiming.com/schss.

Corrections to times after the initial submission of results must have a confirmation e-mail submitted from the meet referee.

Teams must be designated using the standard 3-letter high school abbreviations listed in AD Notebook on the League website.

DO NOT CONVERT TIMES before submitting. Times will be converted by Sports Timing & Software, Inc.

Times will be posted in rank order www.sportstiming.com. It is each coach's responsibility to check this site to be sure that the listing is accurate and to promptly report any errors to at www.sportstiming.com/schss

g. **State Meet entries should be submitted by Sunday, September 30 by 9:00 pm by going to www.sportstiming.com/schss.** The times posted on the Sports Timing & Software, Inc website are the official entry times for the State Meet.

9. In the State Championship Meet, each team shall be permitted a maximum of four entries in an individual event and one team in a relay event. Each swimmer may enter a maximum of four events, no more than two of which may be individual events. All teams are required to submit the names of relay swimmers with their entries for the State Championship meet (as many as 8 swimmers per relay may be submitted). Entries should be submitted using a team management software, using a USA Swimming Standard Data Interchange (SD3) or compatible format. For teams that do not have a team management program, Team Manager Lite can be downloaded for free from www.hy-tekltd.com.
10. In the State Championship Meet, points are awarded for 20 places in all events. For relays, points awarded are double the individual points for that place.

If this requirement is not met, schools may enter the tournament of the next higher classification. In addition to the team competition, a 32-draw AAAAA - AAAA and a 32-draw AAA-AA-A Singles Tournament will be held. These tournaments will be exclusive of the team competition
2. The rules of the United States Tennis Association will apply when not covered by South Carolina High School League rules.
3. The head coach must attend a South Carolina High School League sponsored rules clinic. All coaches must be CPR & AED certified. All coaches must verify with their principal completion of the online courses "Concussion in Sports", "Heat Illness Prevention" and "Sudden Cardiac Arrest" found at www.nfhslearn.com.
4. All classes are allowed 24 matches, four scrimmages and one jamboree. JV teams are allowed 22 matches, two scrimmages and one jamboree. The matches can be any combination of tournaments (to include preseason) and regular season matches. Preseason play can only be in tournaments and may start on August 10.
5. All tennis matches must be played on hard courts. If a school uses clay courts, the opposing school must be notified in advance and agree to play the match on the alternate surface. A school cannot use two different surfaces for a match unless previously agreed by both schools.
6. Each match will be two no-ad sets with a 10-point tie-breaker played to decide the match if the sets are split. A set tie-breaker will be a 7-point tie-breaker. Pro-Set scoring (8 games, 7-point tie-breaker at 7-7) is permitted once the match has been decided. This includes the regular season and play-offs. (Any exception will result in both teams forfeiting).
7. Team competition will consist of 5 singles and 2 doubles teams. Only two players may play both singles and doubles during the same dual match. A player may play on only one doubles team in a dual match. (Any exception will result in a team forfeit, 7-0). A team appearing with only 5 or 6 players will forfeit the #2 doubles.
8. Coaches will exchange line-ups before the match begins, with at least 1-5 singles listed. Coaches have the option to hold off announcing doubles until after singles matches have been completed, but must inform the other coach beforehand. If doubles matches are announced after singles matches are completed, doubles line-ups will be exchanged simultaneously.
9. All players must play in at least four regular season dual matches to be eligible to play in the play-offs. All players will be required to compete in a school issued shirt. Appropriate tennis apparel is expected (cut-offs and jeans are not considered appropriate tennis apparel). Bandanas are not permitted.
10. In team play, there will be a maximum 10-minute break between singles and doubles play if a player is playing both singles and doubles.
11. Suspended matches are to be resumed from the point of interruption.
12. Coaching (by the head coach only) will be permitted during the 90-second changeover between odd numbered games. Coaching will be limited to 45 seconds and the coach must remain outside the fence. Coaching is also allowed during the rest period following split sets. This conference is limited to two minutes. No coaching is allowed during a tie-breaker.
13. Spectators, including players not participating, must stay a minimum of 3 feet away from the fenced area.
14. No cell phones or any electronic equipment is permitted by players or coaches as coaching tools.

15. In all phases of competition, coaches must play their singles participants and doubles teams in descending order of ability. Challenge matches will determine this order. **THE FOLLOWING GUIDELINES MUST BE FOLLOWED:**
- a. Players shall be ranked according to their head to head competition. Each coach shall maintain a dated copy of all challenge matches. You must use a minimum 6 total game challenge format to establish the initial ladder. Two no-ad sets with a 10-point tiebreaker must be used after the initial ladder is established
 - b. A player may challenge up only one position per challenge match.
 - c. **First doubles team shall always have a combined rank (based on the singles rank), which will be lower than that of the second team by a difference of at least 3 points. If the total ranking number is less than 3 points, a challenge match shall determine which team plays as #2 and which as #1.**
 - d. Temporary illness or absence of any player shall not change rules a. and b. When a player is out, all players must move up to fill the space with any forfeits at the bottom of the lineup. When that player returns, he/she must return in their original position.
 - e. **NOTE: a, b, c, d - FAILURE TO COMPLY WILL RESULT IN A TEAM FORFEIT (7-0)**
 - f. A coach, who questions the relative order of the opponent's lineup, may request to see the challenge records. Coaches must bring all challenge match data, as well as all previous individual and team scores, to every interscholastic match played. This includes the play-offs. Any challenge matches that change the line-up must be documented, dated and signed by the coach. If these records are not made available at the contest in question, the concerned coach may file a written protest with the South Carolina High School League. The South Carolina High School League will then expect the challenged coach to present the records. If records cannot be properly submitted, a forfeit will be imposed.
 - g. Once the play-offs begin, the singles ladder may not be changed. **ANY EXCEPTION WILL RESULT IN A TEAM FORFEIT (7-0).**
 - h. Once a match has begun, a player may not leave the court except for the following reasons:
 1. Bona fide bathroom break.
 2. To replace equipment (shoes, contact lens). If such player exceeds the time allowed (5 minutes), they will be subject to the point penalty system. 25 seconds will be allowed for each delay of game penalty. For example, warning - 25 seconds; point - 25 seconds; game - 25 seconds; match - 25 seconds.
 3. Leaving the court for reasons other than #1 or #2 will result in a forfeit of that match.
 - i. **Any serious unsportsmanlike act will result in an immediate disqualification. Examples are, but are not limited to: vulgar or abusive language or gestures, throwing racket, or fighting (should a disqualification occur the recorded score will be what the score was at the time of the disqualification).**
16. A dated challenge ladder must be submitted to the South Carolina High School League Office by noon of the first playoff date. Failure to submit the tennis ladder by the deadline will result in a \$25.00 fine. This form is located in the AD Notebook.

- During any practice(s) beyond the first 3 days of spring practice, a coach may equip his players in any combination of pads that he prefers for a period of **up to ten (10) days.** (*Ten (10) days is the maximum amount of time in pads.*) Schools are not required to be in helmets only or in full pads only; any combination may be used. During the time of practice in pads (full or combination of pads) the use of all football equipment is permitted.
- Middle school students may **NOT** take part in the high school practices, if players are wearing any equipment other than helmets. If players are equipped with more than helmets, middle school athletes must hold their practices apart from the high school. (*They could be on the same field, but away from the high school practices.*) Middle school students may not be equipped in pads or have contact drills during spring practice.
 - Rising 9th graders, (*8th graders*), are **NOT** 9th graders until school is out for the year, thus they may **NOT** take part in contact drills of the high school.
 - Schools **MAY NOT** charge admission for a spring practice (game)

- b. High school programs may practice in full gear and use all field equipment beginning August 1.
- c. Air type or foam filled dummies will be permitted during any practice between June 1, 2018 and July 21, 2018.

- d. Sub-varsity teams must complete their schedule prior to the day of the first round of play-offs in that sport.
 - e. **Passing Leagues**
Players may not wear padding of any kind during the 7 on 7 passing league competition. (i.e. no girdles, hip, thigh or tailbone protection) Only helmets, pants, jerseys, shoes and socks may be worn. **Middle school teams may not participate in passing leagues.**
 - f. **Pre-season Football Practice Opportunities**
 - * See schsl.org for preseason practice guide.
 - 1. Any practice session over three hours constitutes two practices. (Exception: three way scrimmages)
 - 2. Any scrimmage or jamboree constitutes a practice.
 - 3. Practices on Saturday and Sunday also count
 - 4. A full-contact practice is defined as football pants, pads and shoulder pads
 - 5. This will in no way affect the starting date of fall practice as set by the South Carolina High School League
8. **Home Team Responsibilities:**
- a. The home team will determine the starting time, within reason.
 - b. **Schools must certify to the South Carolina High School League Office that its chain crew and ECO have been properly instructed. The crews need to be responsible adults.**
 - c. The policing of the sidelines is a home team responsibility. If cheerleaders, statisticians, etc. are allowed along the sidelines, a parallel line five yards from the sidelines must restrict their movement toward the field. News media may move within 2 yards of the sidelines provided a line is placed 2 yards from the sidelines.
 - d. **Clean and secure** dressing facilities must be provided for opponents and officials. A school is responsible, within reason, for the clothing of opponents, but not rings, money, watches, etc.
 - e. Game management is responsible for clearing the field of play and the end zones at the beginning of each half so play may begin at the scheduled time.
9. **Game Official Responsibilities:**
- a. Officials certified by the South Carolina High School League must be used in all varsity games. An ECO will not be assigned unless a school requests one. Instructions for postponing or canceling games in which certified officials are booked are printed on page 84.
 - b. Officials are required to be present one and one half hours prior to game time for all varsity games. The South Carolina High School League Executive Committee strongly advises the host school to furnish hotel or motel accommodations for the officials. If school facilities are used, they must be sanitary and include chairs, showers, hot water and a place that can be locked.
 - c. After the game, officials must be met on the field by uniformed policeman and escorted safely from the stadium vicinity.
10. No game at any level may end in a tie. In case of a tie at the end of regulation, the Ten Yard Line Overtime Procedure as printed in the National Federation Football Rules Book shall be used.
11. All football games above the junior high school level and below the senior high school varsity level will be played in four quarters of not more than 10 minutes each. 7th and 8th grade teams will play 8-minute quarters.

12. **Regulations Governing State Play-Offs:**

- a. All games will be played on Friday night at either 7:30 pm or 8:00 pm with the decision being left up to the home team. Both teams will have to agree to any other change.

NOTE: If games are scheduled on Thursdays because of school sharing playing facilities the changes still apply.

- b. The sites of the games mentioned below will be left to the discretion of the host schools, but they will be expected to hold the games in stadiums with adequate facilities and large enough to handle the crowds. Adequate facilities include a restraining fence around the field or a stadium configuration that allows for control of spectator access to the playing area.

MINIMUM SEATING REQUIREMENTS FOR PLAY-OFFS

Class	First and Second Round	Third Round and Semifinals	Finals
A	1,000	1,500	6,000

If the above minimum seating is not available, a stadium with a smaller seating capacity may be used with the approval of the Commissioner provided the stadium has a restraining fence around the playing field.

- c. The host school will obtain pre-numbered tickets for play-off games.

The admission price for all classes will be \$8.00.

Exception: The admission price for all State Finals will be \$12.00 (presale and at the gate).

If state or county law requires a seat tax, it will be added to these admissions, but will not be included in the gross proceeds as mentioned in paragraph e. All seats are general admission except the host school may offer reserved seat tickets to season ticket holders who had reserved seats during the regular season. Seats for the bands may be reserved.

- d. An ECO will be assigned to all play-off games.
- e. If the host team chooses not to host the game, it will be offered to the visitors. If neither team chooses to host the game, the South Carolina High School League will set it and the teams will share the expenses equally.
- f. Within 15 days following the play-off, the host school will send copies of the financial statement to the South Carolina High School League and the visiting school.
- g. The home team will wear dark jerseys unless other satisfactory arrangements are made in writing with the visiting team and the South Carolina High School League Office.
- h. Broadcast fees are a part of the gross gate receipts. Information on broadcast fees is on page 16.

WRESTLING

1. The South Carolina High School League will sponsor a championship in each classification that has at least twelve of its schools participating. If this requirement is not met, schools may enter the tournament of the next higher classification.
2. National Federation Wrestling Rules shall govern all wrestling in South Carolina except as modified by South Carolina High School League Regulations.
 - NOTE:** Schools are reminded of the uniform requirements specified in the rules.
 - NOTE:** The rules strongly recommend that protective headgear be used in all practices. The headgear will be required in all competition.
3. The head coach must attend a League sponsored rules clinic. All coaches must be CPR & AED certified. All coaches must verify with their principal completion of the online courses “Concussion in Sports”, “Heat Illness Prevention” and “Sudden Cardiac Arrest” found at www.nfhslearn.com.
4. If a school is participating in a preseason tournament more than seven days prior to its first regular season match, the certificate of eligibility must be submitted before participation in this tournament.
 - NOTE: Second semester eligibility begins when first semester classes are dismissed, grades are final and when the student is added to the certificate of eligibility form signed by the principal.**
5. Wrestling teams are allowed 16 varsity and 12 JV playing dates during the regular season. Each invitational entered will count as one of these 16 dates. One invitational may be preseason.
 - a. Any wrestler who has received a forfeit during a dual match may not wrestle at any time during the match.
 - b. The South Carolina High School League recommends during any qualifying and State Tournament, at least one adult must be at each scoring table.
 - c. The South Carolina High School League strongly recommends that contracts be used when scheduling non-region dual matches.
 - d. Weigh-in procedures will not delay the start of a match. Refer to H.
 - e. A school may send more than one team to a varsity event provided that school counts those separate events as two of their 16 dates. This would include entering multiple wrestlers at the same weight. Forming of house teams are not allowed.
 - f. Weigh-ins: In a dual meet, wrestlers shall weigh-in shoulder-to-shoulder, a maximum of one hour before the scheduled start of the meet. In tournament competition, contestants shall weigh-in at the site a maximum of two hours before the first session begins.
 - g. Sub-varsity matches may not start later than twenty minutes prior to the varsity match.
 - h. Starting Time: If a team is not ready at the scheduled starting time, one team point will be deducted. If neither team is ready, the home team will have two team points deducted and the visitor will have one team point deducted.
 - i. The South Carolina High School League recommends coaches need to communicate the day prior to a match to determine which weight classes will wrestle preliminaries and varsity matches.
 - j. A forfeit shall eliminate a contestant from further competition in any tournament including region or qualifying.
6. School must have a minimum of seven wrestlers to be eligible to compete in the dual playoffs. (Must make weight at the site.)

7. Officials certified by the South Carolina High School League must be used in all varsity matches. Instructions for postponing or canceling matches in which certified officials are booked are printed on page 84.
8. Weight Classes will be as listed in the rules book.
 - NOTE:** A student may not wrestle more than one class above his actual weight.
 - NOTE:** A school may enter only one contestant in each weight division
9. **WEIGHT CONTROL:**
Weight Management program for 2018-19 season:
 - a. Test Date - June 1st will be the first date that testing may occur for the upcoming wrestling season. A school assessor can test athletes during the summer months and then put the information in the Optimal Performance Calculator on the NWCA website (www.nwcaonline.com).
 - b. Testing Athletes - All wrestlers in grades 9-12 will be tested by an assessor and have their data entered into the OPC. Data may only be entered once per athlete.
 - c. Competition Data Weigh In Sheet - The South Carolina High School League has mandated the use of a competition data Weigh In sheet for all weigh-ins. To access this sheet, login into the OPC through www.nwcaonline.com. Under the Coaches Tab at the top, you can select "Competition Data/Record Sheet". Select that option. On the next page, use the first link that says "Create Pre-Match Weigh-in Sheet". Click on that link. Enter in the date of the competition you want to make a weigh in sheet for and the name and click "NEXT". Print off the list of wrestlers created.
 - d. Documentation - Each head coach will be responsible for having an Alpha Master Sheet and Competition Data Weigh In Sheet. The Alpha Master sheet contains a list of all wrestlers who have passed the test and give the minimum weight that they can compete in the season. The Competition Data Weigh In Sheet is a list of the lowest weight class that your wrestlers can be on the day of that competition. These sheets can be printed off the NWCA Website using the coach's username and password that they receive when they register their school with the NWCA.
 - e. Competition - No athlete may compete in an event until they have had their minimum weight established on the OPC and their name appears on the Alpha Master *and* Competition Data Weigh in Sheet. To do so, this means that they have passed hydration and had the skin fold test completed.
 - f. Assessors and Test administrators- A test administrator is a certified official who does the actual testing. This group includes certified school trainers, nurses, and doctors. An assessor is the person who actually puts the data into the OPC on the NWCA website. This person CAN be the test administrator, or any other school personnel chosen by the athletic director. However, the assessor CANNOT be the actual wrestling coach.
 - g. Materials - To complete testing, you must have a refract meter to measure the urine sample and a set of skin calipers. The refractor meter can be either the optical or digital type.
 - h. Re-testing - If an athlete fails the hydration, they must wait at least 48 hours before they are tested again. *The Litmus test for urine hydration is not allowed.*
 - i. Margin of Error - South Carolina will use a 2% margin of error for determining the minimum weight of a wrestler. This 2% will only be used for athletes who have 7% body fat or higher. The margin of error will be calculated automatically on the OPC for the state of South Carolina.
 - j. Athletes below 7% Body Fat- Athletes who measure below 7% body fat will wrestle at the weight class they establish during their hydration and body fat test. There is no exception that will allow athletes below 7% to drop down in weight.

- k. Doctor's Note - Athletes who are below 7% body fat will need a doctor's note to compete. The doctor's note should be taken to every event and the coach should be able to produce it if questioned. There will not be a specific form used by the doctor. All that is needed is the doctor's statement that the athlete is below 7% body fat and is healthy enough to compete in wrestling
- l. Ineligible Wrestlers - Athletes who are ineligible to compete first semester can still have their minimum weight established as early as June 1st.
- m. Growth Allowance - South Carolina will still use a 2-pound growth allowance. Wrestlers will be given a 2-pound growth allowance to their minimum weight classes on January 1st. However, the 2-pound growth allowance cannot help a wrestler establish a minimum weight class.

EXAMPLE- A wrestler's minimum weight on the OPC is 126.3. This athlete cannot wrestle 126 on January 7th after the two pounds have been given and the weight class becomes 132

- n. Establishing Minimum Weight Class - All wrestlers must be at their minimum weight class by February 1, 2019. The OPC must simply allow the wrestler to make that minimum weight by final date
- o. Moving up in Weight Classes - A wrestler may weigh in one weight class above their minimum weight class at the date of competition as indicated on the Competition Date Weigh In Sheet without losing certification at the lower weight class.
- p. Coaches Responsibility - It is the responsibility of the coaches to follow all the procedures and make sure they wrestle their athletes in the appropriate weight classes at the appropriate times. Wrestling an athlete at an improper weight class will subject to team to South Carolina High School League penalties.
- q. The Official - The official is being used to record the wrestlers' correct net weight on the Data Competition Weigh In Sheet. The official has no other roll in the weight management system.

NOTE: The use of a sweatbox or similar box device for weight reduction purposes is prohibited. Refer to wrestling rules book for other restrictions.

- 10. **State Championship** - The State Individual Tournament will be held on Feb. 22-23, 2019. The top qualifier in each weight division from the Upper State will be paired against the fourth qualifier from the Lower State and others will be paired accordingly.

11. **Regulations Governing State Tournaments:**

- a. Responsibility for local arrangements for the State Individual Wrestling Tournament will be left to each participating school.

An admission of \$6.00 on Friday and \$8.00 on Saturday will be charged.

- d. Proceeds from concessions go to the host school. Proceeds from program sales and advertising will be part of the tournament receipts

In addition to the team competition, a 32-draw AAAAA - AAAA and a 32-draw AAA-AA-A Singles Tournament will be held. These tournaments will be exclusive of the team competition
2. The rules of the United States Tennis Association will apply when not covered by South Carolina High School League rules.
3. The head coach must attend a South Carolina High School League sponsored rules clinic. All head coaches must be CPR & AED certified. All coaches must verify with their principal completion of the online courses "Concussion in Sports", "Heat Illness Prevention" and "Sudden Cardiac Arrest" found at www.nfhslearn.com.
4. All classes are allowed 24 matches, four scrimmages and one jamboree. JV teams are allowed 22 matches, two scrimmages and one jamboree. The matches can be any combination of tournaments (to include preseason) and regular season matches. Preseason play can only be in tournaments and may start on February 23.
5. All tennis matches must be played on hard courts. If a school uses clay courts, the opposing school must be notified in advance and agree to play the match on the alternate surface. A school cannot use two different surfaces for a match unless previously agreed by both schools.
6. Each match will be two no-ad sets with a 10-point tie-breaker played to decide the match if the sets are split. A set tie-breaker will be a 7-point tie-breaker. Pro-Set scoring (8 games, 7-point tie-breaker at 7-7) is permitted once the match has been decided. This includes the regular season and play-offs. (Any exception will result in both teams forfeiting). A team appearing with only 5 or 6 players will forfeit #2 doubles.
7. Team competition will consist of 5 singles and 2 doubles teams. Only two players may play both singles and doubles during the same dual match. A player may play on only one doubles team in a dual match. (Any exception will result in a team forfeit, 7-0).
8. Coaches will exchange line-ups before the match begins, with at least 1-5 singles listed. Coaches have the option to hold off announcing doubles until after singles matches have been completed, but must inform the other coach beforehand. If doubles matches are announced after singles matches are completed, doubles line-ups will be exchanged simultaneously.
9. All players must play in at least four regular season dual matches to be eligible to play in the play-offs. All players will be required to compete in a school issued shirt. Appropriate tennis apparel is expected (cut-offs and jeans are not considered appropriate tennis apparel). Bandanas are not permitted.

11. Suspended matches are to be resumed from the point of interruption.
12. Coaching (by the head coach only) will be permitted during the 90-second changeover between odd numbered games. Coaching will be limited to 45 seconds and the coach must remain outside the fence. Coaching is also allowed during the rest period following split sets. This conference is limited to two minutes. No coaching is allowed during a tie-breaker.
13. Spectators, including players not participating, must stay a minimum of 3 feet away from the fenced area.
14. No cell phones or any electronic equipment is permitted by players or coaches as coaching tools.

15. In all phases of competition, coaches must play their singles participants and doubles teams in descending order of ability. Challenge matches will determine this order. **THE FOLLOWING GUIDELINES MUST BE FOLLOWED:**
- a. Players shall be ranked according to their head to head competition. Each coach shall maintain a dated copy of all challenge matches. You must use a minimum 6 total game challenge format to establish the initial ladder. Two no-ad sets with a 10-point tiebreaker must be used after the initial ladder is established
 - b. A player may challenge up only one position per challenge match.
 - c. **First doubles team shall always have a combined rank (based on the singles rank), which will be lower than that of the second team by a difference of at least 3 points. If the total ranking number is less than 3 points, a challenge match shall determine which team plays as #2 and which as #1.**
 - d. Temporary illness or absence of any player shall not change rules a. and b. When a player is out, all players must move up to fill the space with any forfeits at the bottom of the lineup. When that player returns, he/she must return in their original position.
 - e. **NOTE: a, b, c, d - FAILURE TO COMPLY WILL RESULT IN A TEAM FORFEIT (7-0)**
 - f. A coach, who questions the relative order of the opponent's lineup, may request to see the challenge records. Coaches must bring all challenge match data, as well as all previous individual and team scores, to every interscholastic match played. This includes the play-offs. Any challenge matches that change the line-up must be documented, dated and signed by the coach. If these records are not made available at the contest in question, the concerned coach may file a written protest with the South Carolina High School League. The South Carolina High School League will then expect the challenged coach to present the records. If records cannot be properly submitted, a forfeit will be imposed.
 - g. Once the play-offs begin, the singles ladder may not be changed. **ANY EXCEPTION WILL RESULT IN A TEAM FORFEIT (7-0).**
 - h. Once a match has begun, a player may not leave the court except for the following reasons:
 1. Bona fide bathroom break.
 2. To replace equipment (shoes, contact lens). If such player exceeds the time allowed (5 minutes), they will be subject to the point penalty system. 25 seconds will be allowed for each delay of game penalty. For example, warning - 25 seconds; point - 25 seconds; game - 25 seconds; match - 25 seconds.
 3. Leaving the court for reasons other than #1 or #2 will result in a forfeit of that match.
 - i. **Any serious unsportsmanlike act will result in an immediate disqualification. Examples are, but are not limited to: vulgar or abusive language or gestures, throwing racket, or fighting (should a disqualification occur the recorded score will be what the score was at the time of the disqualification).**
16. A dated challenge ladder must be submitted to the South Carolina High School League Office by noon of the first playoff date. Failure to submit the tennis ladder by the deadline will result in a \$25.00 fine. This form is located in the AD Notebook.

ATHLETIC OFFICIALS ASSOCIATION

Certified officials, registered and approved by the South Carolina High School League office, must be used in all varsity football, volleyball, basketball, wrestling, soccer, lacrosse, competitive cheer, baseball and softball contests. If a member school travels out of state to play, officials that are registered and approved by the host school's state association must be used.

BOOKING

The booking office for football and basketball officials is located in the South Carolina High School League office. The problems involved in baseball, softball, volleyball, lacrosse, wrestling and soccer necessitate local booking offices for these officials. These booking offices are listed on the South Carolina High School League website.

All associations must abide by the disciplinary action of the Commissioner of the South Carolina High School League. If an officials' organization accepts the schedule of a school, it must furnish officials for the full season unless otherwise notified by the Commissioner of the South Carolina High School League. An official must report any irregular procedure of the game or any unusual conduct on the part of the crowd, coaches, school officials or students to the Commissioner of the South Carolina High School League.

Arrangements must be made to hold weekly or biweekly meetings and attendance must be kept. These meetings should be for the purpose of learning rules and mechanics. An official will work or attend a combined total of 12 meetings and scrimmages if the official is to receive the maximum number of points allotted to this item on the official's rating system. Before the start of the season an official shall attend a minimum of six classroom type meetings and will work a minimum of two scrimmages. After the start of the season, an official shall attend a minimum of two classroom type meetings. Credit for the remaining two meetings may be received for classroom meetings or scrimmages.

Associations will not book an official that has not been certified. The approval of the South Carolina High School League Office may be removed and the official may be banned from officiating in high school contests in the future for violation of the above regulation.

Schools and officials should be notified at least one week prior to assignments. High school personnel will not serve as the booking officer for an association except by permission of the South Carolina High School League Executive Committee.

A copy of the officials' association's constitution, bylaws, rules and regulations, list of officers and officials must be filed in the office of the South Carolina High School League Commissioner.

A list of officials will be available by the second week in May for football, September for basketball and volleyball, November for wrestling and February for baseball, softball and soccer.

An official who fails to keep an accepted assignment shall be required to pay the school the game fee.

PROPOSED TIE-BREAKING SYSTEM

The following procedure may be used in breaking ties within the region for seeding purposes. Seeds will be filled one at a time.

1. Two Teams
 - a. Single-game Region Schedule: If two teams with identical region records tie, the team that defeats the other shall be declared the higher seed.
 - b. Two-game Region Schedule: If two teams split their contest, then they would proceed to Tie-Breaking Steps until the tie is broken.
2. Three or More Teams
 - a. Single-game Region Schedule: If three or more teams with identical region records tie, and one of the teams has defeated the others, that team will be seeded higher. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.
 - b. Two-game Region Schedule: If three or more teams with identical region records tie, the team that has the most wins between the tied teams against each other will be seeded highest. The team with the next-highest wins will be seeded second and so on. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.

TIE-BREAKING STEPS

Step 1. Region Point System

If three or more teams with identical region records tie, and no team has more victories than the others in games involving the tied teams, a point system based on region record only will determine the seed.

The following point value will be used in assigning points for a win within the region:

<u>6 TEAM REGION</u>	<u>7 TEAM REGION</u>
1 st Place ... 6 points	1 st Place ... 7 points
2 nd Place... 5 points	2 nd Place... 6 points
3 rd Place ... 4 points	3 rd Place ... 5 points
4 th Place ... 3 points	4 th Place ... 4 points
5 th Place ... 2 points	5 th Place ... 3 points
6 th Place ... 1 point	6 th Place ... 2 points
	7 th Place.... 1 point

NOTE: If two or more teams are tied for a region position, each team will be acknowledged as that particular seed when the point system is in use. (Example - if 2 teams are tied for 3rd place, any win against either team would be assigned 3rd place points.) As a position is decided, the following seeds would use the latest assigned points.

Step 2. Points Allowed System

- 2.1 The team that gives up fewest points in games involving the tied teams shall be seeded higher.
- 2.2 If still tied from above, the team that gives up fewest points in all region games shall be seeded higher.

NOTE: In games that are decided by "over-time procedure," the team that loses will only add 1 point to regulation final score for purposes of figuring points allowed, and not final score of over-time procedure.

Step 3. Final Resolution System

- 3.1 The higher seed will be the team whose opponents have the highest winning percentage.
- 3.2 The higher seed will be the team whose opponents have won the most games.
- 3.3 The higher seed will be the team whose opponents have scored the fewest points
- 3.4 The higher seed will be determined by a coin toss supervised by the Region Coordinator.

NOTE: This procedure shall refer to all regularly scheduled region and non-region games, excluding tournament games
