Rise and shine - It’s Summertime! Inside, our spring champions are highlighted as well as introductions for new staff members and SCHSL Executive Committee members. With the athletic season and school year complete, we can relax before preparations begin for the 2018-19 school year. We encourage everyone to drink lots of fluids while outdoors, wear sunscreen and continue your fitness routines and healthy eating habits. The SCHSL is working overtime to ensure the upcoming school year is the best yet! Have a wonderful summer. #SCHSLBack2School18
“My experience as NFHS President during this past year has been one of the most rewarding professional developments I have ever received. As I traveled and met with state association leaders, I came to understand while we may be different geographically, our mission remains the same - doing what’s in the best interest of students!

I would not have been able to undertake the duties as a national leader had it not been for a sound and high functioning staff here in South Carolina. I very much appreciate the efforts and accomplishments by everyone in the SCHSL office as well as our dedicated membership that guides our programs daily. I plan to implement new ideas and skills learned while interacting with my peers across the nation. Thank you for the support given to not only me, but the student athletes, coaches, officials and school administrators who make up the SCHSL TEAM. Thank you to the NFHS for the honor and opportunity to serve our national team. A new year is ahead and I look forward to our collective goals being achieved, even surpassed!

ATHLETIC DIRECTORS: YES- Planet HS has transitioned to ArbiterSports for the 2018-19 school year. This integration will allow you access to all of the functionality of ArbiterAthlete and other ArbiterSports’ solutions from a single screen using a single account - this is the most frequently heard request from school athletic departments. Although we have a new brand, look and feel, the powerful functionality and quick customer support that you have come to learn and count on is not going away!

Please read these FAQs to become familiar with this transition:

Where do I log in? ArbiterAthlete.com is the new home for Planet HS. Please update your bookmarks to reflect the new URL.

Will my existing account still work as normal? Yes. All e-mails, usernames, passwords and permissions have carried over into ArbiterAthlete.com. New administrator, parent and students accounts will be created here, too!

Can I use my existing Arbiter One credentials to manage ArbiterAthlete? For now, your Arbiter and Planet HS/Arbiter Athlete accounts will continue to work independently. We will release a single sign-on option for all Arbiter products soon.

Where do I complete eligibility and transfers on ArbiterAthlete? The SCHSL Eligibility bar is the home for both eligibility and transfers. Clicking SCHSL Eligibility, you will be taken to “Manage Eligibility.” At the bottom, a dashboard button will launch Manage Semester Setup, New Transfer Form, View Transfer Form(s) and the statewide transfer lists.

Where is my dashboard button? The ArbiterAthlete design puts all of your modules at your fingertips with quick links (blue boxes on homepage). During our initial rollout of ArbiterAthlete, the familiar dashboard can be found on several pages. The SCHSL Eligibility and Coach Management quick link bars have dashboard links at the bottom of each module, directing you to the SCHSL Sport Management. Here, schools will approve eligibility, submit/view transfers, and adjust approval settings. Also, the dashboard still gives you access to User Management.

What legacy Planet HS features will not be offered on ArbiterAthlete? All classroom-related features (class pages, elections, polls, homework, etc.) along with live streaming, calendars, events and notifications will not migrate to our new home.

Why does my school still show the Planet HS interface? Some schools, including all in the Greenville County School District, will remain under Planet HS through the end of the school year. This will allow those schools and districts to continue utilizing the Planet HS legacy features.

How do I take advantage of the premium modules on ArbiterAthlete (Pre-Participation, Coach Management, Fee Management, and Wellness & Safety)? Contact Alex Hyman at 888-668-7452 ext. 710 to digitally take your athletic department to the next level with ArbiterAthlete premium modules! Pricing will not change for the 2018-2019 school year. To learn more about Arbiter Pay, contact Cory Eldredge 801-702-8026 or Cory.Eldredge@arbitersports.com

Who do I contact now for support? Support services will remain the exact same. Ryan Bethea (ryanbethea@arbiterathlete.com or ryanbethea@planeths.com) will continue to be located in the SCHSL offices (803-798-0120 or 1-888-668-7452 ext 711). The ArbiterAthlete Support Center(schoolsupport@arbiterathlete.com / schoolsupport@planeths.com; 1-888-668-7452) is also still available for additional support.

Thank you for your patience. Have a great 2018-19!

Representing South Carolina at the National Federation of High School’s Student Leadership Summit in Indianapolis: Kobe Shannon, South Pointe High (Rock Hill), Katherine Spires, York High, Jeanette Campbell, Powdersville High (Greenville), JaVarion Calhoun, Greenwood High, and Daniel Finney, AC Flora High (Columbia). These student leaders will serve as SCHSL Ambassadors during the 2018-19 school year. Special thanks to their SCHSL chaperone, Associate Commissioner Nessie Harris.
As the National Federation of High Schools (NFHS) celebrates its 100th year in 2018-2019, Karissa Niehoff becomes the first female executive director of the organization that oversees high school athletics and activities (performance arts) in the United States. South Carolina is looking forward to working alongside Ms. Niehoff and the entire NFHS family.

**CELEBRATE GOOD TIMES—COME ON!**

During the 2018-19 year, the NFHS will celebrate 100 years as an organization and its 100th Summer Meeting in July 2019.

Throughout the year, the NFHS will highlight and celebrate its extensive history from its formation in 1920 to today. Each month, www.nfhs.org/100years will feature a new video highlighting a part of the NFHS’ past.

The school year will culminate with the 100th NFHS Summer Meeting next July in Indianapolis, which will include an open house, historical display and final night celebration. “It’s a celebration to last throughout the year.”
“THANK YOU” to our generous sponsors spanning across the southeast and beyond. We cherish our longstanding partnerships and welcome our newest SCHSL supporters.

We are glad you are part the SCHSL TEAM.
