South Carolina High School Football Pre-Season Practice Plan
(Endorsed by SCATA, Ad Hoc SCHSL Preseason Acclimatization Committee)

- Current rule limiting teams to 29 practices eliminated.
- Practice times (including warm-up, stretching, cool-down time, conditioning) shall not exceed 3 hours.
- All practices occurring Days 1-14 must be documented to show compliance.
- All athletes must complete Days 1-4 of the practice timelines before participation in full pads.
- Weight room activities do not count as practice time, but must be separated from practice by at least 2 hours of continuous rest to allow for recovery.
  - **Exception:** No continuous rest period is required if weight room activities are counted as a part of the day’s allotted practice time. *(i.e. lift for 1 hour then practice for 2 hours; or practice for 2 hours and then lift for 1 hour)*
- A Walk-through is allowed and does not count against practice time. **Walk-through** is defined as a teaching opportunity with athletes:
  - not wearing protective equipment
  - not using sports-related equipment
  - participating in an indoor, climate-controlled environment.
- **Must have a Rest Day after 6 consecutive practice days.**
- Scrimmages permitted on either a Long Day or Short Day. **A scrimmage will count as 3 hours.**
- All athletes must have a pre-participation physical exam before athletic participation.
- If weather/lightning postpones practice in progress, the practice may resume after a warm-up (20 minute maximum) and the remainder of allotted practice time may be completed.
