Baseball and Softball- Rainouts and Make-ups

With all the rainy weather recently, there are very few opportunities to get make-up games in the schedule.

Our assignors are stretched really thin with officials and trying to get every game booked. The following is the priority list for playing games in baseball and softball:

1. Varsity REGION games
2. Varsity Non- Region Games
3. Sub-Varsity Games

What this means is that assignors will prioritize assigning officials for all Varsity Region games first. Other varsity games will take second priority and sub varsity games will come last. You may have officials taken off your currently scheduled games to fill in based on priority.

Remember that you are to play with one official in baseball and softball. It's not ideal, but it is an opportunity to play.

Report Region Qualifiers to jan@schsl.org

Baseball – Saturday, April 20

Softball – Tuesday, April 23

If your region qualifiers are set, you can email to Jan.

The NCAA and NFHS have proposed a boys' basketball event to be operated by the state high school associations in an effort to provide a venue at which high school players are being coached by high school coaches under the guidance of the high school associations. As such, the SCHSL will be offering the following events in partnership with the South Carolina High School Basketball Coaches Association:

- Team Showcase Event – Friday, June 21 through Saturday, June 22, 2019
- Individual Showcase Event – Sunday, June 23, 2019

More details about these events will be sent to you including instructions for online registration. Invitations to attend the Individual Showcase Event will be determined by the South Carolina Basketball Coaches Association Event Committee.
