

## MEMORANDUM

**TO:** Superintendents, Principals & Athletics Directors  
**FROM:** Jerome Singleton  
**DATE:** March 9, 2021  
**RE:** Conclusion of Winter Sports

---

Greetings:

The South Carolina High School League is closing in on the completion of two sports seasons (Fall & Winter)!

**Note:** The class AAAAA girls' basketball championship competition has been delayed due to issues involving COVID-19. The game has been rescheduled for Saturday, March 20, 2021, at the USC Aiken Convocation Center at 1:00 pm.

Though challenging, pre-season, regular-season, and post-season events took place in every sport offered. Your diligence, hard work, and attention to detail (and some good fortune) rewarded your efforts with opportunities for the student-athletes.

You are to be commended for creating an opportunity for a satisfying experience for them. Take an opportunity to exhale, pat yourself on the back, and enjoy the moment.

Then let's prepare to get back to the business of creating and maintaining sports opportunities for the spring sports season student-athletes. Because they missed out on a full/complete season last year, we must be determined to provide them a safe and healthy opportunity to participate and compete.

A monumental task is before us, but I am confident that with teamwork, we can and will prevail. Thank you for all you do to support and provide athletic competition opportunities for the student-athletes without compromising and/or jeopardizing their health and/or safety.

Let's finish "South Carolina Strong"!

Jerome Singleton, Commissioner  
SC High School League
