Winter sports are some of the most electric high school athletic competitions for a reason. **Wrestling Duals Championships** are just one of our much anticipated mid-year events. The AA-AAAAA wrestling matches are once again hosted at Dreher High and sure to bring fanfare from all corners of the Palmetto State.

We are excited to have the opportunity to highlight these 8 teams, schools and their communities. The student-athletes representing their schools have not only proved to be role models and leaders, but individuals who kept safety in mind during the most chaotic era in education.

The dedication this sport demands is second to none. Time and energy, mental and physical strength in addition to sportsmanship and teamwork all culminated to bring us here today. Careful, well thought out practices and team interaction played an integral part as well. I ask that you help me celebrate the sport and the athlete. Support our generous sponsors as they have a huge hand in making SCHSL Championships a reality.

The journey to state is always a lifelong lesson. The road is paved with athletes and coaches of all backgrounds who have a passion for athletics, academics, and most importantly, student safety. Your support of SCHSL events and initiatives makes a difference in so many young lives. Social distancing and masks have proven to be an important part of the nation's recovery process. As a fan, you set the tone for sportsmanship, a safe environment and healthy competition.

Be a champion among the student-athletes you cheer for each season.

Cheer loud! Cheer proud!

Sincerely,

Dr. Jerome Singleton, Commissioner
