

## **2022 TRACK & FIELD REGIONS, UPPER/LOWER STATE QUALIFYING MEET DIRECTORS MEETING**

TO: All Track & Field Region, Upper / Lower State & Qualifying Meet Directors  
FROM: Daniel Brooks, Associate Commissioner  
DATE: March 21, 2022

The Track and Field season is quickly approaching its end. I trust that everyone is experiencing a successful year with their program(s). As we approach the dates for determining state qualifiers, let us all be reminded that preventive officiating will aide in insuring that the best performers make it to the State Finals.

In an effort to conduct an efficient series of qualifying meets, preparation and planning must be addressed. With this in mind, there will be a meeting at the League Office on **April 11, 2022 at 10:00 am** for all track and field Region, Upper / Lower State and Qualifying Directors.

Items to be discussed:

1. Rules Update
2. Advancement procedures
3. Region Meet Regulations
4. Order of events
5. Deadline for submission of qualifiers
6. Uniforms
7. Relays
8. Participation Limitations
9. Other items as deemed necessary

It is important that **all** directors are present at this meeting. If you have someone that will be inputting your information on the computer other than yourself, please bring him/her/they also.

In addition, please forward to the League (along with your verification of attendance) any items that you would like to have clarified during the meeting. That way, the information can be researched prior to the meeting.

I look forward to seeing all of you and have a successful remainder of the season.

**Please bring with you to this meeting any information/forms that you would like to share with the region qualifying meet directors that may help in organizing your meets.**

**Please email verification of receiving this memo and let us know if you will be attending. If you cannot attend, please let us know who will be representing your region.**
