COMMISSIONER'S NOTES

Greetings,

Let me begin by thanking you for your patience and flexibility as we navigated the challenges of last week as it relates to Tropical Storm Nicole. Because of your teamwork as member schools, all scheduled playoffs/championships events, except for class AAAA Cheer Qualifiers, were completed last week. Class AAAA Cheer Qualifiers will take place this week.

As we continue the closing out of the Fall sports season and the preseason of the Winter sports season, let's maintain focus on creating memorable experiences for the student-athletes. We all can agree that education-based athletics serve as a great teaching tool for developing the soft skills of a South Carolina high school graduate. We must continue to showcase a distinction between education-based athletics and all other forms of organized athletics (i.e., club, recreation, AAU, etc.) offered.

Lessons of sportsmanship, leadership, service, health, wellness, etc., coupled with competitive nature, helps create lasting and memorable experiences for the student-athletes. Of course, sportsmanship should always be observed. Last week was a very promising week of good sportsmanship.

Three schools had ejections for unsportsmanlike behavior however, only one ejection was in a Fall sport (football). Unfortunately, this was the second time that this school has had an ejection in this sport.

The Winter sports season had two schools with ejections. Hopefully, the schools will address the situation and remind their student-athletes of their responsibilities as representatives of the school and the SCHSL.

Thank you to the schools that competed last week without any objections for unsportsmanlike behavior.

Have a great week of school and competition.
