COMMISSIONER'S NOTES

Greetings,

Hope last week's school days went well and you are experiencing a rewarding week thus far. Last weekend, the League culminated the wrestling dual competition season with the crowning of four champions and runners-up. Congratulations to the competing schools on a great season! This event was a great start to the Winter sports championship. Basketball playoffs will begin this week, and we look forward to the many exciting games. Good luck to all the competing schools and remember WHO and WHAT you represent.

The Spring sports season is continuing to take shape, and we look forward to the many opportunities for competitions that will be available for the many student-athletes involved. Great times are ahead, and role model coaches have a great opportunity/obligation to help individuals and teams to be the best they can be.

Thank you for your commitment to educational athletics and its mission.

Last week marked the end of the Winter sports (basketball) regular season and the beginning of the pre-season competition for Spring sports. With that, there were seven (7) high schools with ejections for unsportsmanlike conduct of coaches and/or players. Basketball ended its regular season with five (5) high schools experiencing ejections, and the Spring sports started its pre-season with two (2) high schools with ejections. Great sportsmanship in a safe environment will continue to be a focus of the South Carolina High School League, and each member school share the responsibility for making this focus reality.

Have a great week of athletic practices and/or competitions.
