2023 State Track & Field

Welcome to the 2022-23 Track and Field Championships. The line-up of spring championships is always capped with exceptional student-athletes and coaches you are witnessing today. SCHSL Track and Field remains a fan favorite due to the high endurance and athleticism displayed by all of this weekend competitors. Hosting A - AAAAA Girls and Boys Finals at Lower Richland High School and Spring Valley High School is becoming a much anticipated event for fans and athletes alike. Both schools never ceases to amaze with their attention to detail and level of hospitality. The Midlands welcome you for three days of excitement, not only at the venues, but across the area for additional family-friendly activities.

We are excited to have a full Championship Weekend to showcase teams along with their schools and communities. The student-athletes representing their schools have proved to be role models and leaders, as well as individuals with unmatched resilience for the sport.

Speed, strength, and agility, in addition to the teamwork each athlete displays is why we are here today. I ask that you help me celebrate the sport and the athlete. I also request your support for our generous sponsors as they have a huge hand in making SCHSL Championships a reality. The 2022-23 championships are complete with individuals from diverse backgrounds who have a passion for athletics, academics, and most importantly, student safety. Our officials and athletic trainers are highly trained professionals on not only rules and regulations but also the importance of safety and sportsmanship. Support them as well as their craft.

Your continued support of SCHSL events and initiatives is imperative for a successful academic career complete with extra-curricular activities. Track and Field remains one of the most popular sports across South Carolina, and we intend to grow the sport even more. Enjoy today and continue to show positive sportsmanship while cheering on your team. As a fan, you set the tone for a safe, uplifting environment and healthy competition.

Be the champion our student-athletes deserve.
