2023 State Soccer

Welcome to the 2022-23 Soccer Championships! Our roster of spring championships would not be complete without these exceptional student-athletes and coaches. SCHSL Soccer is a fan favorite due to the high endurance and athleticism displayed by all SCHSL soccer teams. Hosting Girls and Boys soccer finals at Irmo High (IHS) is a major highlight of the season as IHS never ceases to amaze with their attention to detail and level of hospitality.

We are excited to have a full Championship Weekend to showcase the 18 teams along with their schools and communities. The student-athletes representing their schools this year have proved to be role models and leaders, as well as individuals with unmatched resilience for the sport.

Discipline, strength, and agility, in addition to the teamwork each athlete puts forth is why we are here today. I ask that you help me celebrate the sport and the athlete. I also request your support for our generous sponsors as they have a huge hand in making SCHSL Championships a reality. The 2022-23 championships are complete with individuals from diverse backgrounds who have a passion for athletics, academics, and most importantly, student safety. The soccer officials are highly trained professionals on not only rules and regulations but also the importance of sportsmanship. Support them as well as their craft.

Your continued support of SCHSL events and initiatives is imperative for a successful academic career complete with extra-curricular activities. Soccer remains one of the most popular sports across South Carolina, and we intend to grow the sport even more. Enjoy today and continue to show positive sportsmanship while cheering on your team. As a fan, you set the tone for a safe, uplifting environment and healthy competition.

Be the champion our student-athletes deserve.

Dr. Jerome Singleton
