FOR YOUR INFORMATION

The Health Spot

This week, December 4-8, 2023, is Emergency Action Plan (EAP) practice week for winter sports. The SCHSL encourages all schools to participate in the life saving endeavor. It only takes 15 minutes to review and practice your EAP in a real life scenario.

Get with your emergency response team and practice dealing with a medical emergency at your specific venue. Remember, you don't want the first time utilizing your EAP to be the emergency!

Upload pictures of your practice here: <https://schsl.org/archives/12550>

For additional information contact the Director of Health, Safety, and Wellness, Tim Kinney at Tim@schsl.org.

Officials' Whistle

With the Winter Sports, in full swing we wanted to provide tips for your athletic department in creating a welcoming and safe environment indoors for the officials who work your games.

- 1) Have a designated person greet officials as they enter the facility and take them to their designated area. Be creative and get your student groups involved, members of other organizations within your school can assume this role.
- 2) Provide a neat and clean dressing area for your officials near a restroom if possible. This area should be large enough for them to meet before, during, and after contests. If you have both male and female officials, be sure to provide a separate space for changing.
- 3) Provide water to your officials during breaks in the contest.
- 4) During contests, be sure to handle inappropriate behavior by spectators swiftly.
