FROM THE COMMISSIONER

Greetings,

Happy New Year!

I trust that everyone had an enjoyable break and is re-energized to take on the ongoing and new challenges during the remainder of this school year. While your work is never done, please be reminded that it is critically needed and greatly appreciated.

As we come into the final months of the Winter Sports Season and the Spring Sports Season is on the horizon, we want to continue to focus on the teachable moments during the athletics practices and competitions. I ask that we all continue to keep Sportsmanship at the forefront. Over the last couple of weeks, we have seen an uptick in ejections and unsportsmanlike conduct, not only with student-athletes but coaches and spectators as well.

Sportsmanship is a fundamental aspect of our association's principals. As we engage in spirited contests, let us remember that our actions on and off the playing areas are not only a reflection on ourselves, but on our schools and communities. Displaying good sportsmanship, even in the face of adversity, strengthens the bonds between competitors and fosters an atmosphere of mutual respect.

As we compete on the fields, courts, and track over the next few months, always remember that fair play is the foundation upon which your SCHSL stands. We expect all participants, including athletes, coaches, officials, and spectators, to uphold the principles of fairness, respect, and integrity. Let us embrace healthy competition, respecting the rules and each other, irrespective of the outcome.

The well-being of our student-athletes remains a top priority, and with the unseasonable cold weather we are having in the State, we continue to promote and implement comprehensive health and safety protocols to ensure that every athlete can participate in a safe and secure environment. Coaches and staff are encouraged to remain up-to-date with the latest guidelines, certifications, and training to protect the physical and mental health of our student-athletes.

In closing, I want to take this opportunity to thank all the coaches, administrators, officials, and volunteers for their dedication to education-based athletics. Your commitment and passion continue to play a vital role in positively shaping the lives of our student-athletes long after their playing days are over.

As we venture into the second half of the academic/athletics school year, let us cherish the memories of the past and look forward to creating new and inspiring moments.

**~Dr. Jerome Singleton
SCHSL- Commissioner**

FOR YOUR INFORMATION

The Health Spot

HYPOTHERMIA

As we head into the winter months, it's important to understand how cold weather can affect our student-athletes. Hypothermia is when the body loses heat faster than it can generate it, resulting in a drop in core body temperature below the normal range of 95-98.6. Recognizing the signs and symptoms of hypothermia is crucial for coaches, student-athletes, and support staff to ensure prompt intervention. Key indicators include:

- **Shivering**
- **Numbness**
- **Confusion**
- **Fatigue**
- **Slurred speech**

If a student-athlete exhibits these signs, move them to a warm environment, remove wet clothing, and provide dry layers. Warm beverages and blankets should be used to raise the body temperature gradually, and professional medical attention should be sought if symptoms persist or worsen. For more information go to: [CDC Hypothermia](https://www.cdc.gov/hypothermia/).

Officials' Whistle

Below are a few tips for your school to use to Bench Bad Behavior at contests:

1. Official's are to ensure the integrity and safety of student-athletes on the floor or field, but it is the Administration's role at each contest to handle inappropriate behavior of spectators immediately. When you see a spectator getting out of hand, take care of it then and there. Remember, what you allow, you promote.
2. Be sure to have security present. You know your spectators, have the appropriate amount of security for your contests. (ie. rivalry games)
3. If you have a student section at your contests, be sure to set parameters for their behavior. Meet with students to establish baselines for behavior at contests.
 - Positively cheer on your school's team
 - Do not make negative or degrading remarks towards the officials or opposing team.

For additional questions concerning the Officials' Whistle contact Associate Commissioner Sarah Hayes at Sarah@schsl.org.
