FROM: Dr. Jerome Singleton, Commissioner *J.S.*
SC High School League
SUBJECT: Update Classifications Placements for 2024-2026
DATE: January 19, 2024

=====
Greetings,

The South Carolina High School League has updated classifications placements of all schools beginning with the 2024–2025 school year. These classifications placements will be in effect for two years.

The guidelines established by the Reclassification/Realignment Guidelines Committee served as the blueprint for schools' placements. All schools are assigned based on their enrollment count to include district additions and the 3.0 multiplier. Flexibility as approved by the Guidelines Committee was also used with consideration given to geographics and travel.

The South Carolina High School League Executive Committee and Appellate Panel met to hear appeals regarding the classifications placements on the following dates:

Executive Committee - January 16th & 17th, 2024
Appellate Panel - January 19th, 2024

After the appeals process held by both groups were completed, some of the appealing schools were shifted from their original classification placement into a different classification.

Please find attached the updated version of schools' classifications placements.

The League office staff will begin the process of placing member schools in regions within their respective classifications. It is anticipated the classifications/regions placement will be completed and sent to the member schools by January 26, 2024.

Thank you for your attention to this matter.
