=====  
Greetings,

I trust this memo finds you well. I am pleased to share positive news regarding the financial status of the South Carolina High School League (SCHSL) and the forthcoming funds sharing for our member schools.

I am delighted to report that the SCHSL's financial reserves are currently in a healthy position thanks to the collective efforts and support of our member schools. Recognizing the importance of these funds to your ongoing initiatives, the League's Executive Committee has decided to provide funds from the reserves to each member school.

Here are the details of the funds sharing:

**Fund Sharing Amount:** \$5 for each student-athlete submitted on your school's 2021-2022 school year certificates of eligibility.

However, it is essential to note that if your school has any outstanding invoices owed to the League, the corresponding amount will be deducted from the total funds. We kindly request that you review your financial records promptly to settle any outstanding invoices, ensuring seamless and accurate processing of the rebate.

Rebate checks will be mailed beginning the week of January 15, 2024. Alongside the disbursement, a detailed statement outlining the fund calculation and any deductions will be provided for your reference.

We appreciate your ongoing dedication to the SCHSL, and we hope that these funds contribute positively to your school's programs and activities. If you have any questions or require further clarification, please do not hesitate to contact Cindi Drakeford, Director of Finances at 803-896-9267 or [cindi@schsl.org](mailto:cindi@schsl.org).

Thank you for your continued partnership, and we look forward to continuing to support your school and student-athletes.
