# State Track & Field

Welcome to the 2024 South Carolina High School League (SCHSL) Track and Field Championships! The lineup of spring championships are always capped with exceptional student-athletes and coaches you are witnessing today. SCHSL Track and Field remains a fan favorite due to the high endurance and athleticism displayed by all of this weekend competitors. We are truly grateful to Spring Valley High School for hosting the Class A, AAAA, and AAAAA Championships. Additionally our gratitude is extended to Lower Richland High School for hosting Classes AA and AAA. Both schools never ceases to amaze with their attention to detail and level of hospitality. Having the Championships at both schools have become a much anticipated event for fans and athletes alike.

Over the course of the three days, we are excited to showcase teams along with their communities, as we crown five championships in girls and five in boys. The student-athletes representing their schools have proved to be role models and leaders, as well as individuals with unmatched resilience for the sport.

Speed, strength, and agility, in addition to the teamwork that each athlete puts forth is why we are here today. I ask that you help me celebrate the sport and the athlete. I also request your support for our generous sponsors as they have a huge hand in making SCHSL Championships a reality. The 2024 championships are complete with individuals of all backgrounds who have a passion for athletics, academics, and most importantly, student safety. Our officials and athletic trainers are highly trained professionals on not only the rules and regulations but also the importance of safety and sportsmanship. Support them as well as their craft.

Thank you to all who took part in the preparations for today's championships: from our athletes to coaches, fans to volunteers, and staff to sponsors. Your support of SCHSL events and initiatives are imperative for a successful academic career complete with extra-curricular activities.

Enjoy today and continue to show positive sportsmanship while cheering on your team. As a fan, you set the tone for a safe, uplifting environment and healthy competition.

Be the champion our student-athletes deserve.

*Jerome Singleton, D.D.*
