

SOMETHING TO THINK ABOUT

Something to Think About is a periodic column from the South Carolina High School League (SCHSL) Communications & Public Relations Department. It can be found under the Communications Link on the SCHSL website, www.schsl.org.

This week's column focuses on the Summer and revisits the **NON-OFFICIAL** SCHSL social media pages.

As we close out the 2023-24 school year, the SCHSL wishes you a safe, enjoyable, and relaxing summer. Be sure to take some time to smell the flowers, take a vacation, put your feet in the sand, basically, relax, relate, and release from all the hard work and long hours you put in this year.

Remember, summer is a time for you to take a break along with your students. If you are working at the school this summer, or teaching summer school, we hope you still are able to find the time to take a break and do something special for yourself.

It is important to remember your Mental Health. Time away from school and the students will help you focus on that.

As this is the final column of the 2023-24 school year, I would be remiss if I didn't remind you of the non-official South Carolina High School League (SCHSL) social media pages using the SCHSL Logo, especially on Instagram.

I have listed below the official social media pages for the SCHSL. All other pages using the SCHSL logo or anything similar are unofficial, and the SCHSL highly suggests unfollowing and discourages following them.

Please note, SCHSL uses  as the profile picture on its official Facebook and Twitter (X) pages, and Instagram uses  as the profile picture on the SCHSL official page.

Below are the **ONLY OFFICIAL** social media handles for the SCHSL.
