ANNOUNCEMENTS

Become An Official!

GREETINGS!

We are thrilled to hear of your interest in officiating high school sports. We hope this will provide you with an opportunity to work within the communities of South Carolina while also making some extra money. We are consistently seeking to grow the number of officials we have in this state. We have a variety of exciting sports (middle and high school level) for you to consider, including:

Fall- Football, Volleyball, Swimming and Competitive Cheer

Winter- Wrestling and Basketball

Spring- Soccer, Boys and Girls Lacrosse, Baseball, and Softball, Track and Field

Partnering with our member schools to provide safe and fair athletic events is a big responsibility but one you will thoroughly enjoy. Working with SCHSL athletic directors, coaches, and student-athletes along with other officials will provide life changing experiences for all.

Your name and contact information will be provided to the director(s) of the sport(s) you select. The link can be found on the SCHSL website under the Officials tab. The respective director will contact you with more information.

A background check, registration and attendance/testing at your sport(s) clinic(s) will be required to become an official.

We look forward to you working in the community and becoming a leader in South Carolina sports. Please encourage your family and friends to become an official as well.

If you have immediate questions regarding officiating for the SCHSL, please contact Sarah Hayes, Associate Commissioner, at sarah@schsl.org or 803.896.6955 or Brooke Baker, at brooke@schsl.org or 803.896.9807. We are here to serve you and our membership.

Sincerely,

Sarah Hayes

SOMETHING TO THINK ABOUT

Something to Think About is a periodic column from the South Carolina High School League (SCHSL) Communications & Public Relations Department. It can be found under the Communications Link on the SCHSL website, www.schsl.org.

This week's column focuses on the Summer and revisits the **NON-OFFICIAL** SCHSL social media pages.

As we close out the 2023-24 school year, the SCHSL wishes you a safe, enjoyable, and relaxing summer. Be sure to take some time to smell the flowers, take a vacation, put your feet in the sand, basically, relax, relate, and release from all the hard work and long hours you put in this year.

Remember, summer is a time for you to take a break along with your students. If you are working at the school this summer, or teaching summer school, we hope you still are able to find the time to take a break and do something special for yourself.

It is important to remember your Mental Health. Time away from school and the students will help you focus on that.

As this is the final column of the 2023-24 school year, I would be remiss if I didn't remind you of the **non-official** South Carolina High School League (SCHSL) social media pages using the SCHSL Logo, especially on Instagram.

I have listed below the official social media pages for the SCHSL. All other pages using the SCHSL logo or anything similar are unofficial, and the SCHSL highly suggests unfollowing and discourages following them.

Please note, SCHSL uses  as the profile picture on its official Facebook and Twitter (X) pages, and Instagram uses  as the profile picture on the SCHSL official page.

Below are the **ONLY OFFICIAL** social media handles for the SCHSL.

FOR YOUR INFORMATION

Officials' Whistle

We would like to thank everyone for taking the time to read the information enclosed in the Officials' Whistle this year. From the Bench Bad Behavior Initiative, to the tips given to create a safe environment at contests, to suggestions for getting student groups involved with welcoming officials. Thank you for implementing any of the tips into your school's activities this year.

Remember, our sports officials are the unsung heroes of our contests here in SC. Without their dedication and commitment, our student-athletes can't play the sports they love. Please don't hesitate to always invite your stakeholders to try officiating. Those interested can go to www.highschoolofficials.com to submit a survey to get the ball rolling on the sports they may be interested in. #BecomeanOfficial

Have a great summer!

Tools for Success

We're All in this Together

As we close out the scholastic year, our member schools deserve a huge thank you and congratulations. Thank you for showing up to workshops, summits and all of the educational platforms.

The summits and workshops are our way of giving our member schools the educational tools necessary to assist in student-athlete achievement on and off the field, mat, and court.

Congratulations to all the schools that encouraged student-athletes in the area of sportsmanship, leadership, and community service. Please reflect on the work we have all done to improve interscholastic sports. Now is the time to take a much needed reset, the 2024-2025 school year will be here before we know it.

Have a safe and enjoyable summer.
