FOR YOUR INFORMATION

The Health Spot

National Diabetes Awareness Month

As we continue recognition of National Diabetes Month, we would like to highlight the impact diabetes has on the adult population. In South Carolina, more than 12% of adults have diabetes, which is higher than the national average, and around 36% of adults are estimated to have prediabetes, a condition that greatly increases the risk of developing Type 2 diabetes. Alarming statistics show that many with prediabetes aren't even aware of it, missing an important opportunity to prevent progression to Type 2 diabetes through lifestyle changes.

For coaches and administrators, staying informed and proactive about diabetes is crucial, not only for personal health but also as a way to model wellness for athletes and peers. Regular physical activity, balanced nutrition, and health screenings can reduce the risk of Type 2 diabetes, particularly for adults with a family history or who lead high-stress lifestyles. This month, take the opportunity to evaluate personal health practices, encourage others to do the same, and support efforts that emphasize diabetes awareness and prevention in your community.

For additional information, frequently asked questions and statistics visit <https://diabetes.org/>.

Officials' Whistle Tools for Success

As we begin Winter Sports, we wanted to provide tips for your athletic department in creating a welcoming and safe environment indoors for the officials who work your games.

1) Have a designated person greet officials as they enter the facility and take them to their designated area. Be creative and get your student groups involved, members of other organizations within your school can assume this role.

2) Provide a neat and clean dressing area for your officials near a restroom if possible. This area should be large enough for them to meet before, during, and after contests. If you have both male and female officials, be sure to provide a separate space for changing.

3) Provide water to your officials during breaks in the contest.

4) During contests, be sure to handle inappropriate behavior by spectators swiftly.
