CONGRATULATIONS

Congratulations to the Seneca High School's girls and boys Track and Field head coach, Chris White, who was selected as the NFHS 2023-24 National Coach of the Year for track and field. White is among twenty-four high school coaches selected from across the country.

"I am honored and humbled to be recognized by the NFHS," said coach White. "As much as I appreciate it, I know that any success we have had has been due to the hard work, put in day in and day out by the amazing kids we have at Seneca High School."

White continued, "Our assistant coaches are phenomenal, and our kids have bought into what they do, and it has paid off for our teams."

Earlier this month, he was one of three coaches from the SCHSL to earn NFHS Section 3 Coach of the Year Honors.

ANNOUNCEMENTS

Officials' Spotlight

Throughout the year, we will shine the spotlight on the unsung heroes of high school sports, our officials. We will profile officials from different sports so that you can get to know them and why they do what they do.

This month we spotlight Scott Harmon.

1) How long have you been an official in the SCHSL?

14 years

2) What sports do you currently officiate?

Wrestling and Soccer

3) Is officiating your full-time job? If not, what is your profession?

No- I am an Assistant Administrator for a high school.

4) Why are you a high school official?

I want to give back to the sports that have given me so much over my years as a student-athlete and high school coach. I want our current student-athletes to have the ability to participate in athletics and without officials that cannot happen. I also want to help ensure that student-athletes have a positive experience on the mat and field and to be able to be a positive example to them so that perhaps one day they will make the decision to give back to their sport(s) and become an official.

Cold Weather Guidelines

As temperatures drop, it's essential to prioritize the safety of our student-athletes during outdoor practices and workouts. Proper preparation and awareness can prevent cold-weather related injuries such as hypothermia and frostbite.

Coaches, athletic directors, and staff should be vigilant about monitoring conditions, ensuring athletes are appropriately dressed, and following cold weather protocols. For detailed guidance on maintaining a safe environment during colder months, please review our Cold Weather Guidelines here: [SCHSL Cold Weather Guidelines](#).
