FOR YOUR INFORMATION

The Health Spot

Spring EAP Practice Week

This week, March 10-14, 2025, is Emergency Action Plan (EAP) practice week for spring sports.

Schools can effectively prepare by conducting comprehensive drills that simulate various emergency scenarios, such as severe weather, medical emergencies, or active shooter situations. Begin by reviewing and updating your EAP's to ensure all protocols are current and clearly communicated to staff, students, and first responders. Practice sessions should include exercises to discuss roles and responsibilities, followed by realistic, full-scale drills to test response times and coordination.

Involving local emergency services, such as police, fire, and EMS, can enhance the realism and effectiveness of the drills. After each practice, schools should hold debriefing to identify strengths and areas for improvement, ensuring that all participants are confident and prepared to act swiftly and safely in real emergencies.

For additional information contact the Director of Health, Safety, and Wellness, Tim Kinney at Tim@schsl.org.

Officials' Whistle

Over a nine day period, (Feb. 27-Mar. 8, 2025) at the Florence Center in Florence, SC, the best basketball teams from across the state of South Carolina came together to participate in the SCHSL Semifinals and Finals. Not only was there access to the best basketball in the state, but also, the top officials in the state were able to ensure that our student-athletes were able to participate in the sport they love.

Our officials are a dedicated and committed group of individuals who constantly elevate to the level needed for our student-athletes to be successful.

Here is one story of dedication from one of our officials who participated in the finals this past weekend. He was sitting in an airport waiting to catch a flight for a birthday weekend and got the call. He swiftly rearranged his schedule so that he could officiate in one of the State Final games. He took a later flight so that he would not miss this once in a lifetime opportunity. This is the type of dedication and commitment we see from our officials on a daily basis to ensure our student-athletes can play the sports they love! When you see an official, thank him or her for their commitment and dedication to high school sports here in SC.

For additional questions concerning the Officials' Whistle contact Associate Commissioner Sarah Hayes at Sarah@schsl.org.
