Phil Savitz: NFHS Hall of Fame Inductee

Former South Carolina High School boys' soccer coach Phil Savitz has been selected to the 2025 National Federation of State High School Associations (NFHS) National High School Hall of Fame, announced by the NFHS Thursday, March 13, 2025. Savitz is one of 11 honorees in the 2025 NFHS Hall of Fame Class. This year's class includes four former athletes, four highly successful high school coaches, two former state association administrators, and one contest official.

The 11 honorees will be inducted June 30, 2025, during the 42nd induction ceremony of the National High School Hall of Fame, held at the 106th NFHS Summer Meeting in Chicago, ILL.

"This induction into the NFHS Hall of Fame is so appreciated by me and my family," said Savitz. "We are so humbled and honored by it! My career has been a family affair, and I want to thank my family and the Irmo and River Bluff Soccer families for their support in making this possible!"

Savitz retired in 2023 after 45 years as the winningest high school soccer coach in South Carolina history and fifth-best all-time nationally.

"Coach Savitz is more than worthy of this honor," said Dr. Jerome Singleton, Commissioner of the SCHSL. "We are extremely proud of Coach Savitz and all he did for the advancement of boys' soccer in the SCHSL."

Combined at the two schools over 45 years, Savitz posted an 824-118-7 record – the most wins in South Carolina history and fifth-most all-time nationally, according to the NFHS National High School Sports Record Book.

Other honors include NFHS National Boys Soccer Coach of the Year in 2016 and the National Soccer Coaches Association of America (NSCAA) National Coach of the Year in 2016. He was listed among the Top 100 Greatest High School Sports Coaches of All Time by MaxPreps and was named Coach of the Decade (1980-1990) by High School Sports Report.

Fourteen of Savitz's players earned State Player of the Year honors, and his teams regularly received the NSCAA Team Academic Award, which highlighted their exemplary performance in the classroom as well as on the field of play.

The above graphic outline the daily themes for this week. See the Tools for Success on page 11 for additional information.

Spring EAP Practice Week Thank You

Last week, March 10-14, 2025, was Emergency Action Plan (EAP) practice week for spring sports.

Thank you to all the athletic programs who participated in the EAP Practice Week! Your dedication to preparedness, safety, and the safety of your athletes is truly commendable. By taking the time to practice emergency action plans, you have demonstrated a commitment to protecting athletes, coaches, and staff. Your efforts ensure a safer environment for everyone, and we appreciate your hard work and collaboration. Keep up the great work!

For additional information contact the Director of Health, Safety, and Wellness, Tim Kinney, at Tim@schsl.org.

Officials' Whistle

The training of our officials is paramount to ensure our student-athletes play in a safe environment. Below you will find ways to aid in the training of our officials:

1) Don't hesitate to send video of contests. In-game video sent to us and our district officials assignors make our officials better. We are able to use it and review plays to ensure veteran and newer officials continue to grow in the profession.

2) We encourage you to make your facilities available to our officials for training purposes. Oftentimes, training spaces are hard to come by. Making your facilities available can give our officials field space, gym space, and classroom space to train and improve for our teams.

For additional questions concerning the Officials' Whistle contact Associate Commissioner Sarah Hayes at Sarah@schsl.org.
