RULES AND REGULATIONS GOVERNING INVITATIONALS, TOURNAMENTS, SHOWCASES AND JAMBOREES

Schools will not permit their students to participate in an invitational, tournament, showcase or jamboree unless the South Carolina High School League approves the event. It is the responsibility of all member schools to ensure the event is approved on the High School League website, not just the host school.

All teams competing in any of these events must be members of the League or have permission to participate. The South Carolina High School League will not sanction any invitationals, tournaments, showcases or jamborees that does not have at least one-member school participating or is beyond the regular season.

Responsibility to the League office must be established by designating a host school that will ensure that all South Carolina High School League regulations are followed. Event directors must be from a member school.

A request for permission to hold an invitational, tournament, showcase or jamboree, signed by the principal of the host school, must be in the South Carolina High School League Office at least 30 days prior to the first session of the event or 90 days if out of state teams are to be invited. The request must include the purpose of the event, the sponsoring organization, the exact dates and the schools invited. A link to submit the request for approval can be found on the League website.

1. For each invitational, tournament or showcase in all sports, the League will charge a \$50.00 sanctioning fee.

NOTE: League passes will be honored at all League sponsored events.

2. Certified officials must be used at the varsity level.
3. Adequate police protection must be furnished. (See page 22 Police Protection)
4. All rules and regulations of the South Carolina High School League must be followed. This includes the awards rule and the amateur rule. For an invitational event, symbolic awards may be given. Trophies must be reasonable in size. Scholarships or monetary awards are in violation of this rule.
5. Total number of basketball, lacrosse and soccer games a student may play during an invitational, tournament or showcase is two per day. There must be a minimum one-hour rest between games.

The Following must be approved by the League office prior to any schools hosting or participating in the events:

Invitationals

1. Definition of an invitational:
An event where four or more schools are invited to participate in a series of contests at one or more locations hosted by a member school. May or may not be a tournament.

Tournaments

1. Definition of a tournament:

A tournament is a series of contests in competition for a championship in which at least 1st & 2nd place is decided by a final contest between the two teams. Schools must now submit tournament format i.e., brackets as part of the sanctioning process in basketball, baseball, softball, tennis, lacrosse and soccer. (Maximum: 10 consecutive days for a tournament)

2. The South Carolina High School League Executive Committee has instructed the League Office to disapprove an invitational basketball tournament in which more than eight schools are involved if any part of the tournament causes loss of school time or is played on a day preceding a school day. If the tournament is held entirely during the Christmas holidays, more than eight teams may compete. Activities other than basketball are not limited to eight teams.

Showcases

1. Definition of a showcase:

A showcase is an invitational with four or more schools participating in regular season contests against predetermined opponents with no championship game being played.

Jamborees

1. Definition of a jamboree:

A game like scrimmage where no team can play more than one half of a regulation contest in the event.

2. Each high school is permitted to participate in one approved varsity preseason jamboree. A school may elect to participate in a second varsity preseason jamboree instead of one of the two allowable scrimmages. Each school is permitted to participate in one sub varsity preseason jamboree.
3. A school may not participate for more than ½ of a regulation game in any jamboree type event.
4. No trophies or awards of any kind may be given to a player or team for participation in a jamboree. This regulation does not forbid the presentation of a sportsmanship award to a school or awards to individuals for winning a kicking contest or a similar contest held at a jamboree.

DEFINED SPORTS SEASONS

The following terms will be used and will apply to all sports:

IN SEASON

2. School facilities may not be used after school hours during closed season by students of a school except if they are members of an outside team clearly sponsored by an outside agency. Coaching outside teams during a closed season is permissible provided the Allowable Starters Rule is not violated. (refer to page 14 for details on the Allowable Starters Rule)
3. Outdoor facilities normally available to the public will not be restricted by these regulations on non-school days. In other words, if it is the normal practice of the school to allow the general public to use these facilities on the weekends, there will be no violation if more than two students are present, provided there is no coach present, and there is no attempt to facilitate practice.
4. A coach may accompany, and/or transport, prospective team members to a camp or clinic during a closed season but may not be involved with teaching skills to his or her own players.

Violation(s) of the practice rules orchestrated/initiated by school personnel will subject the school to sanction(s) by the South Carolina High School League. OUTSIDE COMPETITION/CAMPS AND CLINICS

In Season

Participation on an outside team during a sports season is permitted in all sports except football. Professional try-outs during the season in all sports are prohibited. Violation of this policy renders a student ineligible to return to his/her school team.

Out of Season (Competition Rules)

During the out of season period, no school shall allow competition(s) that involve(s) the coach(es) and/or players except:

1. If a coach from a school (including volunteer coaches) is associated with an outside team(s) outside the South Carolina High School League, no more than the number of allowable starters listed below (up to 15) may be on the roster of the outside team. This restriction applies to all students who were included on the school's certificate of eligibility and dressed for a varsity game during the previous season. Students with no remaining eligibility will not count. There is no limit on the number of students from the same school if there is no coach involved from that school. Also, there is no restriction on baseball or softball during the months of May, June, and July as it pertains to the allowable starters rule. NOTE: Outside teams may not use school equipment or uniforms for practices or contests. Coaches are tied to the below number on one team or across multiple teams for practice and/or competition. This would include placing athletes on multiple teams.

Examples of squad limits are:

Swimming (15)	Football (11)	Girls Lacrosse (12)
Volleyball (6)	Golf (5)	Soccer (11)
Tennis (7)	Basketball (5)	Baseball (9)
Competitive Cheer (15)	Wrestling (14)	Softball (9)

They may use school facilities and approved playing equipment for the 10 days. The exact 10 days must be documented by date and records of these days supplied to the South Carolina High School League Office if requested.
3. Any school violating either of the above may be fined up to \$500.00 and placed on probation in the sport involved.

Camps

1. From June 1 through the day prior to the South Carolina Athletic Coaches Association annual summer clinic schools may attend camps. Participation in these camps will count toward the allotted 10 days of summer competition.

 - a. The student or the parents must pay all fees and expenses.

 - c. A coach may serve as an instructor at the camp but may not teach skills to students from their own school or feeder school(s) during closed season.
 - d. Attendances at camps during a sports season that are controlled entirely by a school and restricted to its students are exempt from these regulations.
 - e. A violation of any part of this section may result in a fine of up to \$500 and probation on the school.

Clinics

1. The principal of a member school must approve a clinic held on school facilities.
2. A coach may serve as an instructor at the clinic but may not teach skills to students from their own school or feeder school during closed season.
3. A clinician's fee and expenses should be reasonable. Principals should pay close attention to this item before giving approval.
4. Room and board must not be a part of the clinic.

6. Team competition is prohibited, and all physical activity must be restricted to fundamentals.

SPORTSMANSHIP AWARD

Sportsmanship is a vital component of the overall development of student-athletes throughout their educational journey.

Through the practice of sportsmanship, athletes and coaches learn how to handle adversity with integrity and resilience.

The South Carolina High School League (SCHSL) challenges all member schools to actively educate and promote the values of sportsmanship among students, coaches, and the broader school community. Just as academic success requires education, so does the development of good sportsmanship. Coaches and student-athletes must be taught the standards your school expects when facing adversity and competition.

Our standard is clear:

All coaches and players should compete with humility and show respect for everyone involved in the contest — opponents, officials, teammates, and fans alike.

The purpose of this program is to promote and recognize exemplary conduct by players, coaches, and spectators. The SCHSL encourages your school to take the challenge and make sportsmanship a core value in your athletic program.

SPORTSMANSHIP - STATEMENT OF POLICY

The State Athletic Administrators Association has joined with the South Carolina High School League's Executive Committee in continuing to emphasize the urgent need for impeccable sportsmanship by our players, coaches and fans. Good sportsmanship and good conduct go hand in hand with high school athletics. Athletic administrators, coaches, players and officials have the greatest responsibility to see that conduct and sportsmanship are at the highest level possible.

Athletic Directors are responsible for administration and supervision of local athletic programs, including the conduct of fans at athletic events. The Board of Education should develop a school district sportsmanship policy and philosophy and direct the administrators to carry it out. Guidelines and policies need to be implemented, and those attending games should be informed through news media, cheerleaders, and others, that poor conduct and poor sportsmanship will not be tolerated.

Coaches must exemplify through their own actions and behavior an acceptable example of good sportsmanship and conduct. Coaches have access to their players on a daily basis and they need to take time to stress the importance of good conduct and sportsmanship by players in interscholastic contests. Allowing players to commit an unsportsmanlike act without a reprimand is really telling the player he has done nothing wrong.

Players must be held accountable for their actions and be taught what is acceptable and what is not. Actions by individuals to call attention to themselves are a distraction to any game and are counterproductive to the high school philosophy of promoting a total team concept.

Fireworks/cannons/other explosive devices – All fireworks/incendiary and explosive devices are prohibited on school facilities at League events. **A \$1,500.00 fine will be imposed per occurrence for violations of this rule.**

Baiting and taunting must be eliminated totally from all athletic activities. It should be the goal of everyone to have the outcome of each contest determined by athletic skills and hard work and to never let baiting and taunting or other negative actions be a factor. Examples of baiting and taunting are finger pointing, shooting motions to imply superiority, gestures with obscene connotations, excessive talking to distract or intimidate. This will also include signs or flags used to incite spectators and interfere with the orderly flow of the game.

The above list is not complete, but it should give enough direction to coaches and officials to reach agreement on the kinds of conduct that must be eliminated. It will take a concerted effort, but we are convinced that we can keep interscholastic sports as the greatest perpetuator of sportsmanship in athletics today.

The South Carolina High School League expects that all persons representing a member school shall treat their opponents with respect and courtesy and anything less is unacceptable. Personal conduct of athletes, coaches, and other school personnel in which interscholastic athletics are not involved is a matter to be resolved by the member school. This position also gives the host school the authority to determine who may perform as a supplement at an athletic event.

Officials at an interscholastic athletic event are participants in the educational development of high school students. As such, they must exercise a high level of professionalism, self-discipline, independence and responsibility.

UNSPORTSMANLIKE CONDUCT

Unsportsmanlike acts that take place at the site of an interscholastic contest are South Carolina High School League matters. All ejections must be reported by the school to the South Carolina High School League office by the following day. The South Carolina High School League shall discipline violators of the following items:

1. An athlete who is ejected for using abusive language, flagrantly or maliciously contacting another person, making obscene gestures to opponents or spectators, shall be ineligible for a **minimum** of the next contest to the of one year depending on the seriousness of the violation.
 - a. Player(s) ejected from a contest may remain in the bench area.
 - b. A suspended athlete may be in the bench area provided they are not in uniform.
2. Any ejection that warrants game(s) suspension will require the removal of the athlete's eligibility until the suspension has been served at the level of the ejection. Suspensions carry over from sport to sport and/or year to year. The student athlete is eligible for scrimmages and jamborees when the suspension is carried over from a previous sports season.
3. Ejections of athletes will carry a minimum of next contest suspension with the exception of:
 - A) Any attempt to verbally abuse, make obscene gestures to, threaten or strike an official or member of the opposing coaching staff, shall be considered a serious violation making the athlete ineligible for a **minimum** of the next two contests to the **maximum** of one year. (see #4 below)
 - B) Any action (verbal or physical) that is considered a serious violation may result in more than the minimum being applied
 - C) Any action (verbal or physical) not directed towards another person (opponent, coach, official, spectator, etc.) but requires an ejection by NFHS rule, may not require any additional game penalty.
4. Any attempt to verbally abuse, make obscene gestures to, threaten or strike an official or member of the opposing coaching staff, shall be considered a serious violation making the athlete ineligible for a **minimum** of the next two contests to the **maximum** of one year. Any action that warrants a maximum penalty will also require that the school be placed on immediate probation in that sport. The South Carolina High School League Office will review any other action(s) that result in an ejection with the possibility of additional penalties.
5. Any athlete who leaves the bench area to become involved in an altercation, either physical or verbal, will be disqualified from that game and may be subject to a **minimum** of a next game suspension depending on his or her involvement. A school whose athletes violate this bench policy will be subject to South Carolina High School League discipline.
6. An athlete who is ejected **and suspended** for the second time in the same sport will have his or her athletic eligibility removed for a **minimum** of two weeks. An athlete who has been ejected **and suspended** from three contests during a school year (all sports) shall become ineligible for the remainder of the school year. Game officials must report all player ejections so that the South Carolina High School League Office can officially notify the school of each violation. When an athlete is ejected for the second time in the same sport, the school is required to immediately begin the above prescribed penalty.
7. Any post game unsportsmanlike activities that involve athletes, coaches and/or other school personnel while at the playing area. Participation in unsportsmanlike altercation(s)/confrontation(s) will subject the participant and/or school to sanctions, to include warning, fines, eligibility suspension, and/or team/program probation/suspension.

8. A coach will be in violation of the standards for good sportsmanship established by the South Carolina High School League for:
 - a. making degrading/critical remarks about officials during or after a contest either on the field of play, from the bench or through any public news media or social media;
 - b. arguing with officials or going through motions indicating dislike/disdain for a decision;
 - c. detaining the official following the contest to request a ruling or explanation of actions taken by the official; or
 - d. being ejected from any contest.

9. A coach's action that leads to an ejection will be considered as serious unsportsmanlike conduct. The **minimum** penalty will be a two-game suspension (Must be served at the level of ejection before resuming coaching duties at any level of games) and a \$300.00 fine. The **minimum** penalty for a second offense will be two games suspension and a \$500.00 fine. If a coach is ejected from the final game of the season, the **minimum** penalty will be a \$500.00 fine assessed to the school.
 - a. Coaches ejected from a contest must leave the facility/stadium immediately and not return.
 - b. Suspended coaches shall not be present at the venue during any contest(s) while under suspension.

10. A school must control its spectators. In cases where spectators physically assault an official, coach, or athlete, the school shall be given one of two options: (1) To take legal action against the offender(s) that is acceptable to the South Carolina High School League or (2) be disciplined by the League.

11. A school shall not allow vulgar chants by its supporters.

12. Violation of any of the above policies will warrant South Carolina High School League discipline for the school or individual.

Degrees of League Discipline Are:

WARNING: An official notice that an inexcusable, unethical, or unsportsmanlike action is a matter of record and must not happen again.

RESTRICTIVE PROBATION: A team may compete in regular region scheduled contests and for a region or state championship, but may be restricted in participation in other events associated with the sport (i.e., scrimmages, jamborees, non-region contests, invitational tournaments, closed season practice, summer competitions, etc.)

PROBATION: A team may compete in regularly scheduled contests but may not play in a jamboree, an invitational event or for a region or state championship.

SUSPENSION: A suspended school may not compete against another member school or a school in another state whose association is a member of the National Federation of State High School Associations.

FINE: May be levied in addition to other disciplines and may range from \$50.00 to \$2,500.00 for each violation.

APPEALS: A school that has been placed on probation or had a program suspended during that sport season, must appeal within 10 working days. If the suspension or probation occurs during the last contest of the season, the appeal must be made prior to the beginning of the sport the next season.

13. **POLICE PROTECTION:** The host team must furnish adequate police protection at all varsity football and basketball games. Police protection may also be required at other contests if so deemed by the home school administration. Police protection must be given to all varsity football and basketball officials. Failure to protect the officials will bring immediate probation, pending an investigation. Failure to have required uniformed protection will result in a \$250.00 fine against the host school.

14. Should there be an altercation caused by players, staff, or fans, only the head coaches, or security, will go on the playing field or court to stop the participants. All assistant coaches are to keep the remaining members of the team off the playing area. Officials are instructed to take all steps possible to prevent an altercation from increasing and to bring it to a stop as quickly as possible. Officials should not be involved in controlling the persons involved once it gets underway. All cameramen must be instructed to keep the camera running and film all of the altercation. This is vital to our investigation of the responsible parties. Failure to have running video when altercations occur on the field/court may result in a fine for unsportsmanlike conduct.

15. **Altercations during summer league/camp.** Altercations that occur during summer league/camp competition will be handled by the schools.

16. In all situations of unsportsmanlike conduct committed by the school's coaches, bench personnel, and/or players, sanctions should be issued against the individual(s) as opposed to the entire team, if at all possible. It shall be the responsibility of the offending school to investigate and report to the South Carolina High School League Office all individuals involved in unsportsmanlike conduct that cannot be detected by video, game officials' report(s), or witness statements. In absence of information (videotape, witness statements) being provided by the school, the South Carolina High School League may sanction the school. The South Carolina High School League may address the reported individuals of the unsportsmanlike act individually or collectively. The South Carolina High School League shall use information obtained through video, game officials report, law enforcement reports, witness statements, etc., and the offending schools report to determine action(s) to be taken to address the unsportsmanlike conduct.

17. **REPEATED UNSPORTSMANLIKE BEHAVIOR.** Repeated unsportsmanlike behaviors by teams involving multiple student athletes during the same sport season may subject the school's program/team to more severe penalties, to include possible probation and/or suspension.

DRUGS AND ALCOHOL

While at the site of a South Carolina High School League sponsored activity, neither a participant, game official nor a coach shall use, be in possession of or be under the influence of alcohol or any other mood-altering drug. This restriction will also apply to any form of tobacco (including smokeless varieties).

A student violating this policy will be prohibited from participating in the specific event and the future eligibility status of this student will be subject to review by the South Carolina High School League.

The philosophy of the South Carolina High School League should be obvious as it attempts to address some items in our society, which have been proven to be harmful to the physical as well as emotional well-being of our student athletes. In this regard, the South Carolina High School League also recognizes the responsibility of coaches and other school personnel in dealing with the problem.

The South Carolina High School League is also adamantly opposed to any performance enhancing drug use at the high school level. The issue goes beyond protecting the integrity of a sport. The use of steroids in sports is considered to be cheating. We stand opposed to the use of steroids by athletes and all members of the student body because of health and ethical concerns.

CONTESTS WITH NON-MEMBER NON-PUBLIC SCHOOLS

Member schools may invite and compete with non-member non-public schools provided certified officials are used in varsity contests. If a nonmember non-public school is invited to attend an invitational event, such non-public school may get permission to enter from the Commissioner of the South Carolina High School League.

Automatic Times: The automatic times will be calculated with the data from the last 3 years: an average of the 20th place for individuals and the 10th place for relays from the PSYCH SHEET will determine the automatic times. If the average of the times produces a slower automatic time than the current state qualifying time, the automatic time will stay the same. If the average of the times is faster than the current time, the time will be updated to reflect the faster time. Consideration Times: Calculation of consideration times will be calculated by multiplying the confirmed automatic time by 1.20

9. **CERTIFICATION OF OFFICIAL TIMES FOR STATE CHAMPIONSHIP MEET ENTRY**

- a. **Manual timing.** Official manual times for entry into the SCHSL State Championship Meet are determined by using three stopwatches per lane. Backup stopwatches may be used in case of watch or timer malfunction. When three watches record different times, the official time is the middle time. When two watches record the same time, that time is the official time. The digits representing thousandths of a second shall be dropped with no rounding. In the case of watch or timer malfunction, the following procedure should be followed:
 - i. All manually timed meets must be set up with three stopwatches per lane and with the intention to record three watch times per swim. This is the primary timing system for a manually timed meet. If three good watch times are recorded then the official time is the middle time, not the average of the three. A “good” watch time is defined as a time recorded by a timer properly positioned at the finish end of the lane.
 - ii. In case of a malfunction of one of the stopwatches (either through timer error or watch malfunction) then a backup watch from the head timer should be used to time the swim to get three good times.
 - iii. In case of a malfunction, and when the head timer with a backup watch is not able to provide a third time for a swim, the following procedure should be followed:
 - 1. If only two good watch times are available, then the average (NFHS Swimming Rule 6.2.2) of the two watch times should be recorded as the official time.

2. The only time that two watch times should be used is in case of a malfunction. Two watch times should be the exception, not the rule.
- b. **Semi-Automatic System**
A semi-automatic timing system consists of a system that is automatically started from a starting system and manually stopped by a person at the finish of the race.
Minimum Requirements.
 - i. Two Dolphin Watches or buttons interfaced with the start system per lane
 - ii. A backup system of One Manual watch per lane.
- c. **Automatic (Electronic) timing.** Official time is the pad time computed to the hundredth of a second. If there is a malfunction of the automatic system, backup times shall be integrated according to NFHS Rules 6-2-3 and 6-2-4.
 - i. Semi-Automatic Backup System shall be used consisting of at least one button per lane.
 - ii. Manual Backup system shall be used consisting of at least one manual stopwatch per lane.
- d. **Meter times.** Meter times will be converted (for posting and State Meet entries) as specified in the current NFHS Swimming and Diving and Water Polo Rules Book conversion chart.

2. National Federation Wrestling Rules shall govern all wrestling in South Carolina except as modified by South Carolina High School League Regulations.

NOTE: Second semester eligibility begins when first semester classes are dismissed, grades are final and when the student is added to the certificate of eligibility form signed by the principal.
6. Wrestling teams are allowed 16 varsity and 12 high school sub-varsity playing dates during the regular season. Each invitational entered will count as one of these 16 dates. Schools that offer varsity wrestling will have an opportunity to enter girls in 3 dates that will not count against the original 16 dates.  - c. The South Carolina High School League strongly recommends that contracts be used when scheduling non-region dual matches.
 - d. Weigh-in procedures will not delay the start of a match. Refer to H.
 - e. A school may send more than one team to a varsity event provided that school counts those separate events as two of their 16 dates. This would include entering multiple wrestlers at the same weight. Forming house teams are not allowed.
 - f. Weigh-ins: In a dual meet, wrestlers shall weigh-in shoulder-to-shoulder, a maximum of one hour before the scheduled start of the meet. In tournament competition, contestants shall weigh-in at the site a maximum of two hours before the first session begins.
 - g. Sub-varsity matches may not start later than twenty minutes prior to the varsity match.

7. Schools must have a minimum of seven wrestlers to be eligible to compete in the dual playoffs. (Must make weight at the site.)
8. Officials certified by the South Carolina High School League must be used in all varsity matches. Instructions for postponing or canceling matches in which certified officials are booked are printed on page 83.
9. Weight Classes will be as listed in the rules book.
 - NOTE:** A student may not wrestle more than one class above his actual weight.
 - NOTE:** A school may enter only one contestant in each weight division
- 10 **WEIGHT CONTROL:**
Weight Management program
 - a. Test Date - June 1st will be the first date that testing may occur for the upcoming wrestling season. A test administrator can test athletes during the summer months and then put the information in the Optimal Performance Calculator (OPC) on the TrackWrestling website (www.trackwrestling.com).
 - b. Testing Athletes - All wrestlers in grades 9-12 will be tested by a test administrator and have their data entered into the OPC. Data may only be entered once per athlete.
 - c. Competition Data Weigh In Sheet - The South Carolina High School League has mandated the use of a competition data Weigh In Sheet for all weigh-ins. To access this sheet, login into the OPC through www.trackwrestling.com. Click on "Schedule" and then the "weigh-in" icon next to the linked event. Print official weigh-in report.
 - d. Documentation - Each head coach will be responsible for having an Alpha Master Sheet and Competition Data Weigh In Sheet. The Alpha Master sheet contains a list of all wrestlers who have passed the test and give the minimum weight that they can compete in the season. The Competition Data Weigh In Sheet is a list of the lowest weight class that your wrestlers can be on the day of that competition. These sheets can be printed off the TrackWrestling website using the coach's username and password that they receive when they register their school.
 - e. Competition - No athlete may compete in an event until they have had their minimum weight established on the OPC and their name appears on the Alpha Master *and Competition Data Weigh in Sheet*. To do so, this means that they have passed hydration and had the skinfold test completed.
 - f. Test administrators and Assessors- A test administrator is a certified official who does the actual testing. This group includes certified athletic trainers, nurses, and doctors. An assessor is the person who actually puts the data into the OPC on the TrackWrestling website. This person CAN be the test administrator, or any other school personnel chosen by the athletic director. However, the assessor CANNOT be the actual wrestling coach.
 - g. Materials - To complete testing, you must have a refractometer to measure the urine sample and a set of skin calipers. The refractometer can be either the optical or digital type.
 - h. Re-testing - If an athlete fails the hydration, they must wait at least 48 hours before they are tested again. *The Litmus test for urine hydration is not allowed*
 - i. Margin of Error - South Carolina will use a 2% margin of error for determining the minimum weight of a wrestler. This 2% will only be used for athletes who have 7% body fat or higher for males and 12% or higher body fat for females. The margin of error will be calculated automatically on the OPC for the state of South Carolina.
 - j. Athletes below % Body Fat- Male athletes who measure below 7% body fat and female athletes who measure below 12% body fat will wrestle at the weight class they establish during their hydration and body fat test. There is no exception that will allow athletes below 7% to drop down in weight.
 - k. Doctor's Note - Male athletes below 7% body fat and female athletes below 12% body fat will need a doctor's note to compete. The doctor's note should be taken to every event and the coach should be able to produce it if questioned. There will not be a specific form used by the doctor. All that is needed is the doctor's statement that the athlete is below 7% or 12% body fat and is healthy enough to compete in

wrestling.

- I. Ineligible Wrestlers - Athletes who are ineligible to compete in the first semester can still have their minimum weight established as early as June 1st.
- m. Growth Allowance - South Carolina will still use a 2-pound growth allowance. Wrestlers will be given a 2-pound growth allowance to their minimum weight classes on December 26th. However, the 2-pound growth allowance cannot help a wrestler establish a minimum weight class.
EXAMPLE- A wrestler's minimum weight on the OPC is 126.3. This athlete cannot wrestle 126 on January 7 after the two pounds have been given and the weight class becomes 132
- n. Establishing Minimum Weight Class - All wrestlers must be at their minimum weight class by February 1, 2026. The OPC must simply allow the wrestler to make that minimum weight by the final date.
- o. Moving up in Weight Classes - A wrestler may weigh in one weight class above their minimum weight class at the date of competition as indicated on the Competition Date Weigh In Sheet without losing certification at the lower weight class.
- p. Coaches Responsibility - It is the responsibility of the coaches to follow all the procedures and make sure they wrestle their athletes in the appropriate weight classes at the appropriate times. Wrestling an athlete at an improper weight class will subject the team to South Carolina High School League penalties.
- q. Procedures for weigh-ins. Coaches should have two competition data sheets, one for the visiting team and one for the home team. Each head coach is responsible for recording the actual weights for each wrestler listed on the competition data sheet. After weigh-ins, each head coach should ensure that there are no discrepancies with the written weights and sign the sheets along with the official. Once signed, these rosters will be official for the dual match or tournament.
- r. The Official - The official is being used to **announce** the wrestlers correct net weight **so coaches can record** on the Data Competition Weigh In Sheet. **They will mediate any discrepancies after the weigh in is complete.** The official has no other role in the weight management system.

NOTE: The use of a sweatbox or similar box device for weight reduction purposes is prohibited. Refer to the wrestling rules book for other restrictions.

11. Regulations Governing Individual State Tournament

- a. The top qualifier in each weight division from the Upper State will be paired against the eighth qualifier from the Lower State and others will be paired accordingly. Responsibility for local arrangements for the State Individual Wrestling Tournament will be left to each participating school.

12. The South Carolina High School League will furnish trophies and medals to the State Champion and State Runner-up in each competing class. Medals will be awarded to individuals winning first, second, and third places in each weight class.
13. A tournament is a series of contests in competition for a championship in which at least 1st & 2nd place is decided by a final contest between the two teams. Schools must now submit tournament format i.e., brackets for approval as part of the sanctioning process in basketball, baseball, softball, lacrosse, tennis and soccer. (Maximum 10 consecutive days for a tournament). An Invitational is an event where four or more schools are invited to participate in a series of contests at one or more locations hosted by a member school. An event may or may not be a tournament. BOOKING

The booking office for football and basketball officials is located in the South Carolina High School League office. The problems involved in baseball, softball, volleyball, lacrosse, wrestling and soccer necessitate local booking offices for these officials. These booking offices are listed on the South Carolina High School League website.

All associations must abide by the disciplinary action of the Commissioner of the South Carolina High School League. If an officials' organization accepts the schedule of a school, it must furnish officials for the full season unless otherwise notified by the Commissioner of the South Carolina High School League. An official must report any irregular procedure of the game or any unusual conduct on the part of the crowd, coaches, school officials or students to the Commissioner of the South Carolina High School League.

Arrangements must be made to hold weekly or biweekly meetings and attendance must be kept. These meetings should be for the purpose of learning rules and mechanics. An official will work or attend a combined total of 12 meetings and scrimmages if the official is to receive the maximum number of points allotted to this item on the official's rating system. Before the start of the season an official shall attend a minimum of six classroom type meetings and will work a minimum of two scrimmages. After the start of the season, an official shall attend a minimum of two classroom type meetings. Credit for the remaining two meetings may be received for classroom meetings or scrimmages.

Associations will not book an official that has not been certified. The approval of the South Carolina High School League Office may be removed and the official may be banned from officiating in high school contests in the future for violation of the above regulation.

Schools and officials should be notified at least one week prior to assignments. High school personnel will not serve as the booking officer for an association except by permission of the South Carolina High School League Executive Committee.

A copy of the officials' association's constitution, bylaws, rules and regulations, list of officers and officials must be filed in the office of the South Carolina High School League Commissioner.

A WARNING is an official notice that an inexcusable, unethical or unsportsmanlike action is a matter of record and must not happen again.

PROBATION is a more severe type of warning. An official on probation may be assigned to regularly scheduled games but he will not be assigned to a play-off or tournament game of any type.

A FINE may be levied separately or in addition to a warning, probation or suspension. It will be levied against the individual official and may range from the game fee to a maximum of \$125.00.

A SUSPENDED official may not work an interscholastic athletic contest of any kind for a member of the League or a school that is a member of another state associated with the National Federation of State High School Associations.

Any disciplinary action by any athletic officials' association or the South Carolina High School League Commissioner may be appealed to the Executive Committee of the South Carolina High School League.

PROPOSED TIE-BREAKING SYSTEM

The following procedure may be used in breaking ties within the region for seeding purposes. Seeds will be filled one at a time.

1. Two Teams
 - a. Single-game Region Schedule: If two teams with identical region records tie, the team that defeats the other shall be declared the higher seed.
 - b. Two-game Region Schedule: If two teams split their contest, then they would proceed to Tie-Breaking Steps until the tie is broken.
2. Three or More Teams
 - a. Single-game Region Schedule: If three or more teams with identical region records tie, and one of the teams has defeated the others, that team will be seeded higher. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.
 - b. Two-game Region Schedule: If three or more teams with identical region records tie, the team that has the most wins between the tied teams against each other will be seeded highest. The team with the next-highest wins will be seeded second and so on. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.

TIE-BREAKING STEPS

Step 1. Region Point System

If three or more teams with identical region records tie, and no team has more victories than the others in games involving the tied teams, a point system based on region record only will determine the seed.

The following point value will be used in assigning points for a win within the region:

<u>6 TEAM REGION</u>		<u>7 TEAM REGION</u>	
1 st Place	6 points	1 st Place	7 points
2 nd Place	5 points	2 nd Place	6 points
3 rd Place	4 points	3 rd Place	5 points
4 th Place	3 points	4 th Place	4 points
5 th Place	2 points	5 th Place	3 points
6 th Place	1 point	6 th Place	2 points
		7 th Place	1 point

NOTE: If two or more teams are tied for a region position, each team will be acknowledged as that particular seed when the point system is in use. (Example - if 2 teams are tied for 3rd place, any win against either team would be assigned 3rd place points.) As a position is decided, the following seeds would use the latest assigned points.

Step 2. Points Allowed System

- 2.1 The team that gives up the fewest points in games involving the tied teams shall be seeded higher.
- 2.2 If still tied from above, the team that gives up the fewest points in all region games shall be seeded higher.

NOTE: In games that are decided by "over-time procedure," the team that loses will only add 1 point to regulation final score for purposes of figuring points allowed, and not final score of over-time procedure.

Step 3. Final Resolution System

- 3.1 The higher seed will be the team whose opponents have the highest winning percentage.
- 3.2 The higher seed will be the team whose opponents have won the most games.
- 3.3 The higher seed will be the team whose opponents have scored the fewest points
