Greetings,

The 2026-2028 Reclassification/Realignment process will begin in December 2025. In an effort to streamline the process, the League is requesting the following information of each school district:

Yes _____ No _____

If yes, what is the name of the school(s) and projected enrollment(s) (grades 9-11) for the 2026-2028 school years?

Will other high school(s) enrollment in the district be affected with the adding of the new school?

Yes _____ No _____

If yes, please list the name of the school(s) affected and the projected enrollment (grades 9-11) for the 2026-2027 school year.

The above information will help in the accurate placement of schools in their respective classifications and regions.

Please return this information by email to deanna@schsl.org by October 8, 2025, no later than 2:00 p.m.

Thank you for your attention to this matter.
