of the Multiplier

DATE: October 24, 2025

Greetings,

The South Carolina High School League (SCHSL) hereby notifies all member schools that any member high school wishing to appeal its designated attendance area as it pertains to the application of the multiplier for out-of-attendance-area students during the forthcoming reclassification and realignment cycle may do so through formal appeal to the SCHSL Executive Committee.

All appeals must be submitted in writing to the League office and must include comprehensive supporting documentation that clearly outlines the basis for the appeal. Submissions must be received no later than November 3, 2025.

Member schools are strongly encouraged to review their enrollment data and verify all information related to attendance zones and student residency prior to filing an appeal.

Questions regarding the appeal process may be directed to the League office.
