VIRTUAL WINTER CAPTAINS' COURSE

November 13, 2025 @ 10AM

REGISTER NOW!

SPONSORED BY 

The South Carolina High School League (SCHSL) remains committed to putting our student-athletes first. We are equipping team captains with educational resources designed to foster strong leadership and promote a culture of sportsmanship. The Winter Captains' Course will be held on Thursday, November 13, 2025, at 10:00 a.m. This session will be tailored to directly address the needs of SCHSL student-athletes. These courses and summits are free for all SCHSL member schools.

Online registration for the Winter Captains' Course is available through Wednesday, November 12, 2025, at the following link: <https://www.cognitofrms.com/SouthCarolinaHighSchoolLeague/WinterCaptainsCourseRegistration2>.

Highlights include:

- A mini rules clinic covering expectations for sportsmanship and conduct.
- Discussion of consequences for violations and ways to promote positive attitudes and community engagement.
- A leadership presentation from Dr. Garrett Knight on best practices for being an effective team captain.

All students must be registered by their school. Athletic directors are encouraged to register all team captains and organize a designated location (e.g., auditorium or film room) for the student-athletes to attend the session together. This creates a valuable opportunity for team discussion and reflection.

Thank you for your continued partnership in supporting leadership and sportsmanship across South Carolina.

If you have any questions, please contact the Director of Educational Services, Dr. Curtrell Rhodan at curtrell@schsl.org or (803) 798-0120.

National Diabetes Awareness Month

November is **National Diabetes Awareness Month**, and the South Carolina High School League (SCHSL) is encouraging all member schools to take part in the 5-Day “Ditch the Sugar” Challenge.

This fun and educational initiative helps student-athletes as well as coaches and administrators recognize hidden sugars in everyday foods and drinks, while learning how better fuel choices can boost performance, focus, and recovery.

With youth diabetes rates on the rise, this challenge is a timely reminder that small changes—like swapping sugary drinks for water—can have a big impact on both health and athletic success. Coaches, athletic directors, and student-athletes are invited to participate the week of November 10–14. More information about the challenge can be found at the following link: <https://schsl.org/archives/17253>.

Tools for Success

SCHSL SAAC NOMINATIONS DUE

The leadership demonstrated by student-athletes is essential to the success of interscholastic athletics. They not only excel in sportsmanship, but also lead efforts in community service and exemplify the qualities of tomorrow’s leaders. One of the best ways to foster and develop this leadership is through participation in a Student-Athlete Advisory Council (SAAC) at both the school and state level.

We strongly encourage each of our member schools to establish their own SAAC, which serves as an optimal platform to cultivate leadership within your athletic programs. **Principals and Athletic Directors**, if you would like to nominate a student-athlete for the 2026-28 South Carolina High School League (SCHSL) SAAC, please complete the nomination link below no later than **Monday, Dec. 1, 2025**.

Once nominations are submitted, you will receive an email with the SAAC application link. Please have your student-athlete fill out the application fully and return it no later than **Friday, December 19, 2025**.

FOR YOUR INFORMATION

Officials' Whistle

Creating a Welcoming and Safe Environments for Officials!

As we begin Winter Sports, we want to provide tips for your athletic department in creating a welcoming and safe environment indoors for officials who work your games.

- 1) Have a designated person greet officials as they enter the facility and take them to their designated area. Be creative and get student groups involved, members of other organizations within your school can assume this role.
- 2) Provide a neat and clean dressing area for your officials near a restroom if possible. This area should be large enough for them to meet before, during, and after contests. If you have both male and female officials, be sure to provide a separate space for changing.
- 3) Provide water to your officials during breaks in the contest.
- 4) During contests, be sure to handle inappropriate behavior by spectators swiftly. Set the standards for behavior early in the season.
