Greetings,

As we close out a successful Fall Sports Season and look ahead to the Winter Season, I want to share some encouraging news regarding the financial health of the South Carolina High School League (SCHSL) and the support we are able to extend to our member high schools.

Thanks to the collective efforts, stewardship, and commitment of our member schools, the SCHSL's financial reserves are in a strong and stable position. We recognize the important work you do each day to support students, coaches, and athletic programs, and we are grateful for your partnership.

In appreciation of your continued dedication, the League's Executive Committee has approved a distribution from our reserves to benefit each member school.

Fund-Sharing Details

- **Amount:** Each member high school will receive a **\$1,000 account credit** that may be applied to open or future invoices.
- Each school will receive a credit memo via email and may determine how best to apply the credit.

We sincerely value your ongoing support of the SCHSL and hope these funds provide meaningful assistance to your school and its athletic programs. If you have any questions or need additional information, please reach out to our finance department at cindi@schsl.org.
