ANNOUNCEMENTS

Athletic Trainer Spotlight

March is National Athletic Training Month. During this month we celebrate those individuals who keep our student athletes healthy throughout the year.

In celebration of National Athletic Training Month, the South Carolina High School League (SCHSL) shines the spotlight on longtime League Athletic Trainer, Sheila Gordon, from White Knoll High School.

1. What is your full title at White Knoll? Head Athletic Trainer and Assistant Athletic Director.

2. When and where did you start your career as an Athletic Trainer? Started my career as a Graduate Assistant at the University of Georgia and in 1997, I then transitioned into my first job as an Athletic Trainer at Spartanburg Regional for one year.

3. How many total years have you been an Athletic Trainer: 30-years total (Graduate Assistant and Professional).

4. When did you begin your career as an Athletic Trainer in the South Carolina High School League? 1997 at Byrnes High School. In January 2005 I moved to my current school, White Knoll.

5. Why did you become an Athletic Trainer? I was an athlete in high school and wanted to continue being close to sports but didn't have the opportunity to play softball at the college level. I took a personality-match your skills test and matched with athletic trainers. While in graduate school, at the University of Georgia, I met the athletic trainer and the rest is history.

6. What is your favorite sport to cover as an Athletic Trainer? I love covering all sports but if I had to select one, I would say football is my favorite because I always wanted to play football but didn't have the opportunity and loved watching football with my dad.

ANNOUNCEMENTS

Middle School Track & Field Invitational

The South Carolina High School League will hold a middle school track and field individual regional invitational, Saturday, April 25, 2026, at Lugoff-Elgin High School. The event is open to middle school students who are participating on a track and field team, whether for their middle school or at the high school.

Athletes will be representing their middle school at the event and must have a coach in attendance with them.

GRASSROOTS
Field Grant Program in partnership with LISC

LISC
SPORTS & YOUTH DEVELOPMENT

NFL FOUNDATION GRASSROOTS PROGRAM *A Community Football Fields Program* REQUEST FOR PROPOSALS (RFP)

Overview

The NFL Foundation Grassroots Program is a partnership of the National Football League (NFL) Foundation, which provides funding for the program, and the Local Initiatives Support Corporation (LISC), which provides technical assistance and manages the program. The goal of the program is to provide nonprofit, neighborhood-based organizations with financial and technical assistance to improve the quality, safety, and accessibility of local football fields. The NFL Foundation Grassroots Program provides grants of up to \$250,000 for capital improvement projects.

To be eligible for a grant under the program, projects must be sponsored by nonprofit community-based organizations registered as exempt from Federal Income Tax under Internal Revenue Service Code Section 501(c)(3) or middle or high schools. In addition, **all organizations applying for funds must be located specifically and exclusively within NFL Target Markets, listed in Attachment A and serve low to moderate-income areas within those markets.**

Strong preference will be given to those proposals that (1) seek to upgrade existing facilities that are in poor condition or otherwise underutilized; (2) demonstrate active use of the fields; (3) **attract matching funding that exceeds the minimum required match of 1:1**; (4) involve local partnerships with nonprofit community partners (e.g., USA Football, Parks and Recreation Departments, YMCA branches, etc.) to promote youth sports safety and community programming on the fields; (5) provide for continuing maintenance and field safety; and (6) involve youth football programs that are currently registered and compliant with USA Football's Football Development Model education program. As noted above, grants are given only for capital expenditures. Applicants may request a maximum of \$250,000 from the NFL Foundation Grassroots Program to be used for capital improvements. Please see "Availability of Funding" for stipulations involved with a \$250,000 maximum grant request.

Proposals are due by March 30, 2026- No Exceptions

Please read the complete RFP before submitting a proposal.

BE A ROLE MODEL WITH 100% COMPREHENSIVE TOBACCO-FREE MODEL POLICY

Children spend almost a third of their waking time in school, which puts schools in a unique position to help reduce tobacco use. Try a 100% comprehensive tobacco-free model policy to strengthen the current statewide requirements for tobacco-free schools.

Model Policy Includes:

Alternatives to Suspension:

Suspension should only be used as a last resort when disciplining students who use tobacco at school. Students who are suspended miss time in the classroom and are at risk for not graduating on time, repeating a grade, dropping out, or becoming involved with the criminal justice system.

Alternatives include simple **referrals to free cessation resources** that provide a certificate of completion, such as the SC Tobacco Quitline. Some schools even **partner with local Alcohol and Drug Abuse treatment centers** to provide free student education and quit support on weekends.

Whatever path your school takes, know that it is **more helpful to treat than to punish**. Nicotine creates a powerful addiction that is difficult to break.

With the right approach and science-based tools, you can keep kids in the classroom and help them towards a brighter future.

Learn more about vaping nicotine and how educators can help reduce youth nicotine addiction from the [Empower Vape-Free Youth campaign](#). For more information about SC YTS contact MavathRR@dph.sc.gov.

FOR YOUR INFORMATION

The Health Spot

National Athletic Trainers' Association

March is **National Athletic Trainers' Association (NATA)** month. While often recognized for their work with physical injuries, Athletic Trainers (ATs) are frequently the first point of contact for a student-athlete struggling with mental health.

In the high-pressure environment of South Carolina high school sports, ATs provide a unique 'Safe Space' where physical recovery and emotional well-being intersect. Their ability to recognize the subtle signs of burnout, anxiety, or depression is a critical component of our holistic approach to student safety.

This month, we recognize the empathy and psychological support our ATs provide, proving that their care extends far beyond the athletic training room walls. Thank you to our hard working ATs as they treat not just physical injuries, but the whole athlete.

All questions related to the information contained in this section, should be directed to Tim Kinney, Director of Health, Safety, and Wellness, at tim@schsl.org.

Spring Sports Leadership Summit Recap

The Spring Leadership Summit was held on Thursday, March 19, 2026. We sincerely appreciate the participation of our member schools, as it reflects a strong commitment to fostering sportsmanship and creating a positive athletic environment within your school communities.

We were fortunate to feature two outstanding speakers. Dr. DT Shackleford, a motivational speaker like none other, inspired and challenged student-athletes to demonstrate character, even in the face of adversity. We also had the honor of welcoming K. Renia, Assistant Athletic Director at Norfolk State University, who is dedicated to equipping student-athletes with the tools they need to succeed at the next level.

If your school was unable to attend, we encourage you to view the recording using the following link: [Spring Leadership Summit Rewind](#).

Direct all questions for this section to the Director of Educational Services, Dr. Curtrell Rhodan, at Curtrell@schsl.org.

Officials' Whistle

Spring Sports Officials' Appreciation

Spring Sports Officials' Appreciation is April 6-11, 2026. Participation can be as simple or as extravagant as you want it to be. You can get your teams and student groups on campus to get involved. It is a great community project for school student councils, spirit groups, or other groups who are ambassadors of your school and community.

A few ideas that you can use for Spring Sports Officials' Appreciation Week are:

- Special appreciation signage
- Gifts cards/cookies/donuts/other items presented to the crew by both the home and visiting team
- Read a PSA at the start of the game, thanking the crew for working the contest
- "Thank you" cards, signed by the team and coaching staff
